"Walk in the Light of the sun, as if all can see you at all times. Bathe in the light of the sun as if it can, as it does, heal all things. Take each step in its warmth as if the sun is your true loving parent, and think of it as the source of all life, as we all know it is. For without the sun there would be no life, as we know it. This we all know."

I, Have Devoted My Visit To This Planet To The Resurrection Of The Mentally Dead, Which I Affectionately Refer To As Mummies. Never Did I Know That The Evil One Had Done Such A Great Job With These People Both Mentally And Physically As To Have Them Hate Self And Kind. My Greatest Dilemma And Hindrance Has Been The Black Devil. Born Amongst You, And By You, Married To You, Socializing With You, Praying In The Same Sacred Houses Of Worship As You; But Secretly They Have A Spiritual Pack With The Devil, Which Makes It Near Impossible For Them To Totally Surrender To **Nurwaupu**. Their Very Nature Won't Let Them. It's In Their Seed From **Genesis 3:15** And **1Peter 5:9-10**. It's Not About Race When It Comes To The Devil. But, For The Few Chosen From The Many Called, I Sift To Find Those Beings That Wish To Become One With The Supreme In All. So I, The **Supreme Grand Hierophant: Amun Nebu Re Akh Tah**, As I Am Known Throughout The Mystical Schools, The Incarnation Of **Tehuti "Thoth"** Student Of The Great **Tum**, Known As **Atum-Re**, The First Point Of Resurrection From Ignorance To **The Right Knowledge, The Right Wisdom And The Right Overstanding**. I Have Blended In With Each Of The Religions Most Interesting To My People. I Lived As One Of Them, Practiced As One Of Them In Order To Reveal The Misconceptions Of These Doctrines That Have Plagued And Diseased The Minds Of My People. Many Take Offense To That Practice, But I'm Sorry The Truth Must Be Told, For The Very Soul Of God Is At Risk.

Amongst The Arabs Of **Al Islaam** In The Degree Of **Muhammadism**, I Was Known As **As Sayyid Issa Al Haadi Al Mahdi** Or Simply **Imaam Isa**. Being Fluent In The Many Dialects As Well As The Classical Arabic Language, I Translated Word For Word Without Biasness In Favor Of The **Islaamic Religion**, The **Qur'an (Koran)** From Syretic Arabic Into English. I Sat Beneath The Great **Shuyuwkh** As A Student, One Of Which Was **Mahmoud Muhammad Mahmoud** And The Great

Master Karama Shaikh Al Hasoun Of The Khalwatiyya Order Of Sufis Out Of Sudan, As A Mahdiyya Or Ansaar.

As A Moorish-American Under Noble Drew Ali As M. York-EL, I Republished And Revised The Holy Koran Circle Seven. Their Connection With The N.O.I. "Nation Of Islam", Known As The Black Muslims, Encouraged Me To Do An In-depth Study Of The Teachings Of Master W.D. Fard, Allah In Person To His Final Messenger, The Honorable Elijah Muhammad. I Released Several Books Explaining In-depth, Their Doctrine, Which Led Me To Another Ex-Member Of The Nation Of Islam Called Clarence 13X, A Self-Styled Allah Who Founded The 5 Percent Nation Of Gods And Goddesses. I Collected Data And Published The Problem Book, Their Interpretation Of The English Class Lessons Of The Nation Of Islam.

Amongst The Hebrew Israelites, While In The Degree Of Mosesism, I Was Known As Rabboni: Yashu'a Bar El Haady. As A Hebrew, I Was Bar Mitzwahed By The Great Rabbi: Matthews Of Harlem. Through The School Of Judaism, I Translated The Torah And The Psalms From The Ancient Hebrew Into English.

Amongst The Christians, In The Degree Of Christism, I Am Known As Reverend: Malachi Z. York Or Dr. York, Pastor And Founder Of The Egyptian Church Of Karast "Christ" Through The School Of Christism, I Translated And Explained The Book Of Revelation, From The Galilean Arabic And The Ancient Greek.

In This Day And Time, I Received A New Holy Tablet, Our Own Scripture That Each Day, As Scientists, Astronomers, Paleontologists, And The Likes Uncover New Evidence Confirming That It Was Indeed Divinely Inspired, And Is Not Merely A Book But A Revelation A Holy Scripture With Prophecies Of The Future Which Are Manifesting Daily. Also, I Translated The Book Of The Coming Forth By Day, Called The Egyptian Book Of The Dead From Hieroglyphics As Amunubi Rahkaptah. I Also Released A Series Of Books Called Behind The Nine Ball And Bible Interpretations And Explanations. I Felt It Is

My Duty As The True Reformer And Savior To My People To Make That, Which Is Unclear, Clear. I Have Also Revealed The Doctrine Of Those Called The Hebrew Israelites, And The Likes With A Series Of Books Called **360 Questions To Ask** And 3 Volumes Of Over 1,000 Pages Each Entitled **The Degree Of Mosesism, The Degree Of Christism, And The Degree Of Muhammadism** Covering Any Question That Anyone Could Have Pertaining To Any Of The 3 Monotheistic Religions.

Questions To Dr. Malachi Z. York-El

About The Beginning

Introduction

This Book Is To Reveal The Facts About A Much Controversial And Disputed Subject, The Beginning And Just Who Recorded The Actual Beginning And From When, What Point In Time And Which Place Did All Religions Get Their Concept Of A Beginning, Because There Are Many Stages Of Beginning Or Creation. The Most Commonly Accepted Story Is The Western World Story As Found In Their English Translations Of The Bible. And Lately English Translation Of The Koran, Who Seem To Feed The Hungry Mind Of The Westerners, Who Are In Constant Pursuit Of Identity, Being The Melting Pot Of Many Nations And Nationalities Stripped Of Their True Identity. So We Will Begin By Addressing This Concept.

Ques: Does God Have A Beginning?

Ans: Yes, God's Beginning Is With Each Religious Denomination Or Sect. For Instance, Allah Is Declared The One And Only God Through The Declaration Of The Islamic Faith. When **Muhammad**, Who Was Born In **570 A.D.** And Died In The Year **632 A.D.** In **Arabia** Made An Islamic Declaration Of Faith That **"There Is No God But Allah"**, That Declaration Was The Birth Of The Allah Concept As Taught In Islam. When **Moses** Declares In His Question, *"Who Should I Say Sent Me?"* (**Exodus 3:13**) And The God Of The Jewish Torah Answers, *"I Am That I Am"* (**Exodus 3:14**), (**Ehyeh Asher Ehyeh/ אהיה אשר אהיה**) Then He Declares The Jewish Concept Of God. In The Bible God Enters As **Eloheem** First In **Genesis 1:1**, Then Becomes **Yahweh Eloheem**

Questions To Dr. Malachi Z. York-El

About The Beginning

(Genesis 2:4), Onto Just **Yahweh** (Genesis 4:26) And Even Onto **Adonia** (Genesis 18:3), A Title Also Used By Human Beings (Genesis 15:2). This Growing Process From Plural To Singular, Establishes The Birth Of Each Of The God Concepts Of Judaism In The Torah, Though He Has Many Other Names There. These Are The Basic Principals Now For The Christians, Who Choose To Use **Greek** And **Latin**; Two Languages That Jesus The Christ Did Not Speak They Took On The Same Principle Of **Judaism** And Used **Theos** (θεος) **God**, **Kurios** (κυριος) **Lord** Or **Despotes** (δεσποτης) And **Dios** (διος), While Each Claim That The God That Represents Them By Whichever Name They Call On, To Use According To Whichever Language They Chose, Was The Very God Of The Beginning Of Creation. All The While, Their Books, Scriptures, Scrolls Or Tablets Were Written Many Thousands Of Years, After The Fact. The Fact Is, That Their God Has Its Origin With The Birth Of Each Of Their Religions The Same Will Apply To: **Hinduism**, **Buddhism**, **Seikism**, **Baha'ism**, Which Are Religions To House Their God Concept. There Would Be No God, So In This Sense, God Has A Beginning, Or As Each Of You Come To Know Of God That Is His Beginning, Or At Least To Each Person.

Ques: What Would God's Purpose Be Without Man?

Ans: Nothing. What Would Man's Purpose Be Without God? The Answer Is Quite Simple. The Same As With A God "**Survival**," Simply Animalistic Survival. Man Can In Fact Exist Without God, But A God Cannot Exist Without Man. That Is Why Man Created God In His Image And After His Likenesses, And Then Said God

Questions To Dr. Malachi Z. York-El

About The Beginning

Created Man In His Image And After His Likeness. Because Man Is In Fact God And Admits It In His Holy Scriptures By Calling Himself The Son Of God (**Luke 3:38**) At One Point, And God At Another Point (**Psalms 82:6**) (**John 10:34**) (**1Corinthians: 3:16**).

Ques: Do You Believe In Angels?

Ans: The Word **Angel** In Greek Is **Ang'elos** (αγγελος) And Simply Means "*Messenger*". The Hebrew Word For Angel Is **Mal'ak** (מלאך) And The Arabic Word Is **Malaa-ik** (ملائكة), All Having The Same Meaning "*Messenger*". To Commit Oneself To Believing In Angels Is To Admit To The Belief In God, Who Supposedly Sends These Angelic Or Apparitional, Spiritual Or Ghost-Like Beings With Messages For Humankind. Angels As Spirit Beings Have Not Been Confirmed. No One Has Proven Beyond A Shadow Of A Doubt That These Beings, Oftentimes Depicted With Beings, Exist.

Ques: Then Where Do You Think The Concept Of Angels Originated?

Ans: It Was Not The Greeks, Who Have Their Olympia Of Gods That Settle In Heaven Such As **Zeus**, Who Has Sex With Humans And Has Half-God Half-Man Children That Walk The Earth. And Then They Guide Them To Humans That Are All Mortal. These Beings Would Be Angels Or Christ Like. A Little Research Into Cultures That Predate The Greeks And The Bible, Such As The **Sumerians**, Reveal Stone Carvings Of Winged Mortals. Also The **Native Americans** And The Oldest Of All Cultures That Have

Questions To Dr. Malachi Z. York-El
—About The Beginning—

Carvings Of Winged Beings And Deities Are The **Egyptians**. Theologians Of The Monotheistic Religion Namely **Judaism**, **Christianity**, And **Muhammadism** Have Divided These Mythological Creatures Into Groups: The **Seraphim**, The **Cherubim** And Even **Thrones**. The Animal Egyptian Had Them As **Enneads**, **Ogdoads**, And **Nebaat**. They Even Break Them Up Into **Good** And **Evil**. Then Europe Steps In And Their Architecture, **Cathedrals** Are Covered With Demonic Winged Creatures Called **Gargoyles**. That Became Your Angels And Devils Today.

Figure 1

Ques: Where Do Angels Fit Into The God Concept?

Questions To Dr. Malachi Z. York-El

About The Beginning

Ans: Well, When Man Created The God Concept, He Raised God To Such A High Pedestal Where God Became Unseen. Thus, Unable To Speak To God One On One. Therefore, Man Needed A Mediator. Because He Placed God Up There, As In **Matthew 6:9** Where It States: *"Our Father Who Art In Heaven"*. And The **Koran 43:84** Where It States: *"It Is He Who Is Allah In Heaven..."* It Became Necessary For These Mediators They Call Angels To Have A Means To Transport Themselves Thus, They Gave Them Wings. So In Fact, Angels Were Created By Man To Be Messengers Of Man To Man, But Claim It's From God To Man.

Ques: What About The War Mentioned Between Angels?

Ans: This War Mentioned In The Book Of **Revelation 12:7** Of The **New Testament** Is Late Information Added On At The End Of The Bible. To Make These Beings Appear More Human, Which Explains Why Several Quotes In The Bible And The Koran Personify Them Into Human Form As In The **Koran 19:17**, And In The Bible **Daniels 9:21**. In Both Cases, These Angelic Beings Have Now Become Mortals In Physical Form, But Man Wasn't Satisfied With That. His Ego Made Him Bring God Into Physical Form. Like Jesus, The Son Of God At One Point, And God Himself At Others.

Ques: Do Christians Look At God As A Supreme Being?

Questions To Dr. Malachi Z. York-El
About The Beginning

Ans: Not Being A Representative For All Christians Of Each Denomination, Cult Or Sect Makes Answering This Question Unfair, For I Would Be Taking On The Responsibility Of All Those Who Call Themselves Christians And No Man Can Honestly Do That. However, Many That I Have Spoken To In My Travels Have A Quite Confused Concept Of God The Father, God The Son, God The Holy Spirit, One God, A Supreme Being, And The Heavenly Father. When You Question Them On That Subject, They Become Extremely Evasive.

Ques: So Are You Saying There Is No God Or Creator Who Is Responsible For Creating Humans?

Ans: That Is Exactly What I Am Saying. Human Beings Are Not Created Spontaneously. Everything That Exists Grew, And Growth Is A Process, The Way Mold Forms, The Way Bacteria Forms. They Form Out Of Conditions Like Mushrooms, Which Need Darkness. Corn Needs Sunlight, And There Is Actually Particles Of Energy In The Sun That Is Going Into The Earth And Causing Plants To Reach For It's Warmth And Light, Thus Growth.

To Date, They Have Found Life On The Planet Mars In This Solar System. And Even More Is Known About Life And Living Beings From Other Worlds And/Or Dimensions, But They Can't Tell You Yet. The Real Truth Could Destroy The System, The Order, And Religious Belief System. So They Will Never Tell You The Whole Truth.

New Findings Energize Case for Life on Mars

Fossil Evidence Likely to Spur Research

By KATHY SAWYER
Washington Post Staff Writer

Researchers who penetrated to unprecedented levels of microscopic detail inside a meteorite from Mars yesterday reported new evidence of possible fossil remains that closely resemble features found in bacteria living on Earth today.

Two teams assert that the evidence they describe could have been generated only by once-living organisms. The work appears to strengthen the case for life on early Mars and, scientists said, is likely to stimulate a burst of new research.

Since NASA's stunning 1996 announcement of potential signs of ancient, primitive life in the Mars rock, much of the evidence has been shaken or widely dismissed as too inconclusive to pursue. But one line of evidence has remained intriguing: crystals of magnetite (iron oxide, similar to rust), each one-eighth of an inch in diameter. On Earth, they function as little bar magnets, or compasses, to aid navigation when formed inside swimming bacteria. Magnetite crystals are also commonly formed in non-biological processes, however, and scientists have been hard pressed to sort out which is which.

In today's issue of the *Proceedings of the National Academy of Sciences*, researchers describe the first detection of magnetite crystals from the Mars rock in chains, lined up like strings of pearls or, as one outside expert put it, something like tiny "backbones." This configuration suggests biological origins and had been cited by critics as a key missing element in the meteorite evidence.

Two research teams say the fossil remains found in a meteorite from Mars could have been generated only by once-living organisms.

microscope, using a special technique, the team could see fossilized outlines of both the chain and the membrane, Friedmann said.

A separate team, building on its extensive earlier work, reports new details concerning the shapes of the crystals. Shape is another element considered significant in determining whether the origins are biological. In this case, the team says it discovered that the shape of the crystals formed by the Earth bacteria was different from what wormists had thought for about 15 years. The microscope studies then revealed the same unexpected shape—described as "truncated hexa-octahedral"—in the magnetite from Mars.

"There are no known reports of any inorganic process that could produce such magnetites," said lead researcher Kathie Thomas-Kepke, an astrobiologist at NASA's Johnson Space Center in Houston and a member of the team that made the original 1996

Satellite photos indicate Mars once rich in water

ASSOCIATED PRESS

Photos from a satellite orbiting Mars suggest the Red Planet was once a water-rich land of lakes, strengthening the theory that billions of years ago it had the conditions needed for the evolution of life.

The photos, taken by the Mars Global Surveyor spacecraft, show massive sedimentary deposits, with thick layers of rock stacked one on top of another in miles-deep formations.

"Some of the . . . images of these outcrops show hundreds and hundreds of identically thick layers, which is almost impossible to have without water," said Michael C. Malin, first author of a study being published Friday in the journal *Science*.

Mr. Malin and his co-author, Kenneth S. Edgett, both researchers at Malin Space Sciences Systems in San Diego, said the photos show clear views of horizontal deposits of rock, a characteristic of sedimentary rock, in the walls of

craters and chasms cut into the surface of Mars.

Such layered rock structures are common on Earth, where they were once lakes. Sediments can settle to the lake bottom and, over geologic time, form sheets of rock one on top of the other like pancakes in a stack.

Mr. Malin and Mr. Edgett said such layered rock can be formed by wind or volcanic activity, but the prevalence of sedimentary outcrops on Mars suggests strong evidence of the action of water.

J. William Schopf, head of the University of California at Los Angeles' Center for the Study of Evolution and the Origin of Life, said the study gives strong support for theories that Mars billions of years ago was wetter, warmer and potentially more friendly to life.

"This is the strongest evidence yet for what appear to be sedimentary units on Mars," said Mr. Schopf. "If we saw these things from Earth orbit, we'd know" they were formed by water.

Fresh Evidence of Water

Images from the Mars Global Surveyor spacecraft reveal outcroppings of sandstone rocks, some of which have identifiably thick layers. The layers are strong evidence of the presence of water. A right-angle example of the outcroppings.

Mars Rocks Show Signs of Water

WASHINGTON
— Astronomers have found the strongest evidence yet that water flowed on Mars at some time that life was forming on Earth. A discovery by the Mars Global Surveyor spacecraft, announced yesterday, is the latest in a series of findings that suggest Mars once had a warm, wet, and perhaps even habitable environment. Rock basins on Mars point to a 'land of lakes'

By the way, the new study, published in the journal *Nature*, shows that the basins are not just random features but are arranged in a way that suggests a systematic process. The researchers found that the basins are often found in pairs, with one basin slightly higher than the other, and that they are often found in a line, suggesting a process of erosion or deposition. The study also found that the basins are often found in areas that were once covered by water, suggesting that the basins were formed by the action of water. The researchers conclude that the basins are a clear sign of a 'land of lakes' on Mars, and that this land was once a habitable environment.

Questions To Dr. Malachi Z. York-El About The Beginning

Looking At The Words: "*And God Said Let There Be Light*" (**Genesis 1:3**), The Word **Ur** (אור) Used In The Bible For Light Is Really The Word **Fire**, Because There Was No Electrical Lights During That Time Period, And Fire Cannot Burn Without Oxygen. So, Now "*Let There Be Light*" Meant, Let There Be Fire And Scientific Data Has Proven That Every Element Has An Atomic Weight.

So You Need **Oxygen** (O_2) For God To Say Let There Be Light (Meaning Fire). If I Brought This Chemical Up To The 8th Element, Which Is The Atomic Number For Oxygen, At Least Eight Elements Would Have To Be In Existence Between (H^1) **Hydrogen** And (O_2) **Oxygen**.

Ques: So You Can't Have Light Without Oxygen?

Ans: In Order For Fire To Burn, You Need **Oxygen**. So Before God Said "*Let There Be Light*", At Least One Of Those Elements Would Have To Exist, Which Would Be The 6th Element **Carbon**, Which Is C^6 Between 1 And 8. We Are Not Talking About Incandescent Or Fluorescent Lights, We Are Talking About Fire, And Fire Needs To Consume Something To Exist. When Fire Consumes Something, It Transforms That Something Into **Carbon**, Because You Needed The **Oxygen** To Have Fire.

The Opposite Of Fire Would Be Water, And In Order To Get Water, You Need **Hydrogen** And **Oxygen**. You Have To Have H_2O , So Actually You Have To Pass (He) **Helium**, With Atomic Number 2, A Burning Substance Like The Sun.

*"Let There Be Light," Is Talking About A Sun, But Not The Sun, Because Three Forms Of Light Are Created In The Bible. You Have One Form Of Light Created In **Genesis 1:3** Where It States: "And God Said, Let There Be Light: And There Was Light." The Second Form Of Light Created In **Genesis 1:14** Where It States: "And God Said, Let There Be Lights In The Firmament Of The Heaven," And The Third Form Of Light Created In **Genesis 1:16** Where It States: "And God Made Two Great Lights; The Greater Light To Rule The Day, And The Lesser Light To Rule The Night:"*

Let There Be Light, And Poof, Light Just Appears Out Of Nowhere, Is Religious Rhetoric. It Is Not Current Information Or Scientific Fact. The Koran And The Bible Are Both Out-Dated And Do Not Match Up To Scientific Data, But Is An Institution That Keeps Man In A Spell Bound State, Because They Don't

Questions To Dr. Malachi Z. York-El About The Beginning

Want An Amoral Society, Which Would Cause “Chaos” That They Could Not Control.

Ques: Can You Prove This With Facts?

Ans: Yes. Just Look At These Examples: God Made Two Great Lights; The Sun And The Moon.

Bible - Old Testament, Genesis 1:16 (With Hebrew Inserts)

And God **אלהים** <'elohym> made **עשה** <'asah> two **שנים** <shenayim> great **גדול** <gadowl> lights **מאור** <ma'owr>; the greater **גדול** <gadowl> light **מאור** <ma'owr> to rule **ממשלה** <memshalah> the day **יום** <yowm>, and the lesser **קטן** <qatan> light **מאור** <ma'owr> to rule **ממשלה** <memshalah> the night **לילה** <layil>; he made the stars **כוכב** <kowkab> also.

“And God Made Two Great Lights; The Greater Light To Rule The Day, And The Lesser Light To Rule The Night: He Made The Stars Also.”

King James Version

The Moon Is Not A Light, It Is A Reflection Of The Sun. According To “*The American Heritage Dictionary*”, The Moon Is “The Natural Satellite Of Earth, Visible By Reflection Of Sunlight...”

Questions To Dr. Malachi Z. York-El
About The Beginning

God Made The Sun Stand Still

Bible - Old Testament, Joshua 10:13 (With Hebrew Inserts)

And the sun שמש <shemesh> stood still דם <damam>, and the moon ירח <yareach> stayed עמד <'amad>, until the people גו <gowy> had avenged נקם <naqam> themselves upon their enemies אויב <'oyeb>. Is not this הלא <huw'> written כתב <kathab> in the book ספר <cepher> of Jasher ישר <yashar>? So the sun שמש <shemesh> stood still עמד <'amad> in the midst חצי <chetsiy> of heaven שמים <shamayim>, and hastened אין <'uwts> not to go down בוא <bow'> about a whole תמים <tamiym> day יום <yowm>.

“And The Sun Stood Still, And The Moon Stayed, Until The People Had Avenged Themselves Upon Their Enemies. Is Not This Written In The Book Of Jasher? So The Sun Stood Still In The Midst Of Heaven, And Hasted Not To Go Down About A Whole Day.”

King James Bible

This Is A Scientific Mistake, Because Neither The **Sun** Nor The **Moon** Stands Still They Revolve And Rotate In Its Planetary Course. The Moon Revolves Around The Planet And Receives Its Light From The Sun, While The Earth Revolves Around The Sun.

About The Beginning

Bats Are Called Birds (Fowl)

Bats Are Called Birds (Fowl), However, According To The Bible In Leviticus 11:13 It States:

Bible - Old Testament, Leviticus 11:13-19 (With Hebrew Inserts)

And these are they which ye shall have in abomination שִׁקָץ <shaqats> among מִן <min> the fowls עוֹף <'owph>; they shall not be eaten אֲכָל <'akal>, they are an abomination שִׁקָץ <sheqets>; the eagle נֶשֶׁךְ <neshet>, and the ossifrage פֶּרֶס <perec>, and the ospray עֲזִיָּה <'ozniyah>, And the vulture דָּאָה <da'ah>, and the kite אֵיָה <'ayah> after his kind מִין <miyn>; Every raven עֹרֵב <'oreb> after his kind מִין <miyn>; And the owl בַּת יַעֲנָה <bath ya'anah>, and the night hawk תַּחֲמָס <tachmac>, and the cuckow שַׁחַף <shachaph>, and the hawk נֵץ <nets> after his kind מִין <miyn>, And the little owl כּוֹס <kowc>, and the cormorant שֶׁלַךְ <shalak>, and the great owl יָנִשׁוּף <yanshuwph>, And the swan תַּנְשֵׁמֶת <tanshemeth>, and the pelican קָאֵת <qa'ath>, and the gier eagle רָחֵם <racham>, And the stork חֲסִידָה <chaciydah>, the heron אֲנַפְהָ <'anaphah> after her kind מִין <miyn>, and the lapwing דּוּכִיפָת <duwkiyphath>, and the bat עַטְלֵף <'atalleph>.

“And These Are They Which Ye Shall Have In Abomination Among The Fowls; They Shall Not Be Eaten, They Are An Abomination: The Eagle, And The Ossifrage, And The Ospray, And The Vulture, And The Kite After His Kind; Every Raven After His Kind; And The Owl, And The Night Hawk, And The Cuckow, And The Hawk After His Kind, And The Little Owl, And The Cormorant, And The Great Owl, And The Swan, And The Pelican, And The Gier Eagle, And The Stork, The Heron After Her Kind, And The Lapwing, And The Bat.”

King James Version

Bats Are Not Birds. According To **“The American Heritage Dictionary”**, A **Bat** Is Defined As *“Any Of Various Nocturnal Flying Mammals Of The Order Chiroptera, Having Membranous Wings That Extend From The Forelimbs To The Hind Limbs Or Tail And Anatomical Adaptations For Echolocation, By Which They Navigate And Hunt Prey.”* The **Hebrew** Word For **Bat** Is עטלף <`Atalleph> Which Means **“Of Uncertain Derivation; A Bat”**. Now Let's Find Out What The Word **Fowl** Means.

The **Hebrew** Word For **Fowl** Is עוף <`Owph> Which Means *“A Bird (As Covered With Feathers, Or Rather As Covering With Wings), Often Collectively:-Bird, That Flieeth, Flying, Fowl.”* It Comes From The Root Word עָוַף `Uwph, Which Means, *“To Fly, Fly About, Fly Away”*. According To **“The American Heritage Dictionary”**, **Fowl** Means *“Any Of Various Birds Of The Order Galliformes, Especially The Common, Widely Domesticated Chicken (Gallus Gallus). 2.A. A Bird, Such As The Duck, Goose,*

*According To “**The American Heritage Dictionary**”, **Bird** Means,*
Any Of The Class Aves Of Warm-Blooded, Egg Laying,
Feathered Vertebrates With Forelimbs Modified To Form Wings.

Do You See The Mistake? They Use The Word **Fowl For **Bat****

Nocturnal Mammal”.

Ques: Why Does God Manipulate Human Thought?

Ans: To Answer This Question One Would Be Committing
Themselves To The Belief In A God. Or The God Concept. When
In Actuality, What Would God Be Without Man? What Would
Man Be Without God? The First Has No Answer And The Second
Is Quite Simple. They Are Not Separated At All In All Existence.
Now Look, Mortals Are Just Another Animal Who Evoluted To
An Intelligent Level That Succeed Most Other Animals, And In
Realizing Homo-Sapiens Superiority, Their Fears Compel Them
To Create A God In Their Image And After Their Likeness, Who
States Created In His Image And After His Likeness According To
Genesis 1:26. So In Fact, God Did Not Create Man, Man Created
God. Man Wrote The Books And Say They Come From God.
They Make The Mistake When It Says, “And God Said”, Not
“And I Said”.

Ques: How Do You Prove There Is No God?

Questions To Dr. Malachi Z. York-El About The Beginning

Ans: By Your Own Existence, For God Only Exists In And Through Man, Not Before And Not After As He Needs Him. It's This Concept Of God Being An Old Man Sitting In Heaven With A Lot Of Winged Angels Around That Don't Exist. God Came Into Existence With Each Individual's Awareness Of God. Terms Like "God The Father", And "Our Father", Help To Create The God Image The Day That You Became Aware Of God Was The Day That God Began To Exist. So In Fact, God Only Exist As Long As Man Existed And God Cannot Exist After Man Except In Concept. Remember, You Made This God A Man. God Is A Part Of Man's Intellect As An Assurance That He Is Superior To Other Animals; A Way Of Feeding His Insecurities, Such As Having Pets.

Ques: Is There A God That Puts Anything Anywhere?

Ans: This Is An Interesting Question Because Propaganda And Indoctrination Has Made The Very People Responsible For The Monotheistic Belief In "*A God Force*", Guilty Of Ignoring The Very Scripture That They Declare Infallible. For Instance, The Word **Eloheem**, Which Is Being Translated As **God** In **Genesis**, In The Translation Is Read As A Singular, But Grammatically Could Be Read Plural. In Fact, In The Language That The Theologians Of Judaism Claim It Was Revealed In **Hebrew**, Such As The Word **Eloheem** (אלהים). In Fact, It Is Plural In That Language. So, The Question, "Is There A God?" Leaves Room For Questioning. Are They Ready To Face The Fact That Their Holy Book Begins With "*In The Beginning Gods Created;*" And Not, "*In The Beginning The God Or A God Created*"?

Questions To Dr. Malachi Z. York-El
About The Beginning

Ques: Where Did The Concept Of God Come From?

Ans: The Concept Of God Came Out Of The Loneliness Of The Intelligent Homo-Sapien. When This Being Evolved To The Point Where It Could Separate Hate From Love, Fear From Courage, Be Decisive, Make Decisions, Become Possessive, It Bred Desire, Need, Want, Jealousy, And Loneliness. When Human Creatures Feel That No Other Human Quite Understands Them Or Can't Satisfy Their Craving, They Created The God Concept. A Universal Father Or Grand Father Type That Is Ever Forgiving And Most Merciful: Even To The Point Of Justification For Wrong Doing Through Confession And Forgiveness. One Of The First Signs Of This Is In The Bible **Genesis 2:18** Where It States And I Quote:

Bible – Old Testament, Genesis 2:18 (With Hebrew Insert)

"And the LORD יהוה <Yehovah> God אלהים <'elohiym> said אמר <'amar>, It is not good טוב <towb> that the man אדם <'adam> should be יהיה <hayah> alone, I will make עשה <'asah> him an help meet עזר <'ezer> for him."

"And The LORD God Said, It Is Not Good That The Man Should Be Alone; I Will Make Him An Help Meet For Him."

King James Version

Questions To Dr. Malachi Z. York-El
About The Beginning

The Word "Alone" And "Not Good" Tells You That This God Knew What Loneliness Was, Giving God Human Feelings.

Ques: You Mentioned Homo-Sapiens' Loneliness, Please Explain Further?

Ans: For Years I Have Taught You About This, While I Walked You Through The Degree Of **Muhammadism/Islamism**. I Explained To You About The Secret Meaning Of The **112th Chapter Suratu'l Al-Ikhlās** Of The Koran, The Degree Of "**Pure Faith**". When We Look At The 1st 2-Verses "*Say He Allah Is Alone He Allah Is Needless*", I Explained To You How You Have Placed Within You The Divine By Way Of The Breath Of Life, Thereby You Are God (*Psalms 82:6* And *John 10:34*) And I Quote:

Bible – Old Testament, Psalms 82:6 (With Hebrew Insert)

"I have said אֱלֹהִים <'amar>, Ye are gods אֱלֹהִים <'elohiym>; and all of you are children בְּנֵי <ben> of the most High עֶלְיוֹן <'elyown>."

"I have said, Ye are gods; and all of you are children of the Most High."

King James Version

Bible – New Testament, John 10:34 (With Greek Insert)

Questions To Dr. Malachi Z. York-El About The Beginning

Jesus Ἰησοῦς <Iesous> answered ἀποκρίνομαι <apokrinomai> them αὐτοῦς <autos>, Is it ἐστὶ <esti> not οὐ <ou> written γραφῶ <grapho> in ἐν <en> your νόμων <humon> law νόμος <nomos>, I ἐγώ <ego> said ἐπὶ <epo>, Ye are εἰσθε <este> gods θεοῦ <theos>?"

"Jesus answered them, Is it not written in your law, I said, Ye are gods?"

King James Version

Yet, You Lack All The Experiences To Bring You Back To The Fullness Of Its Realization. Homo-Sapiens Would Have To Get Past The Point Of Fearing Being Alone, Not Alone As In Lonely, Alone As In Need Of A Crutch To Praise Or Blame For Events In One's Life, And Feeling Without Need Thereby, Needless. Not Needless As In Wants Of Material Things, But Instead Needless As In Complete Within Oneself By The Realization That Once Union With God Is Made, There's Nothing You Need, Desire, Want, Etc For Which You Don't Already Possess, The Potential To Manifest Through The Power Of Thought."

Ques: So Religious Scholars Knew This And Used These Fears And Needs Against Us?

Ans: That Is Correct. They Know That If Homo-Sapiens Ever Realize His Full Potential, There's Nothing He Would Be Unable To Do (*Genesis 11:6*).

Questions To Dr. Malachi Z. York-El About The Beginning

Bible – Old Testament, Genesis 11:6 (With Hebrew Insert)

“And the LORD יהוה <Yehovah> said אמר <'amar>, Behold, the people עם <'am> is one אחד <'echad>, and they have all one אחד <'echad> language שפה <saphah>; and this they begin לללל <chalal> to do עשה <'asah>; and now nothing לו' <lo'> כל <kol> will be restrained בצר <batsar> from them, which they have imagined זמם <zamam> to do עשה <'asah>.”

“And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.”

King James Version

Ques: Did God Start The Concept Of Beginning?

Ans: No. God According To Them Wouldn't Have A Concept Of Beginning And Ending Because They Declare God The **Alpha** (Α) And The **Omega** (Ω) In **Christianity**, The **Awal** (اول) And The **Akhir** (آخر) In **Islam** And The **Reeshone** (רִאשׁוֹן) And **Akheron** (אַחֲרֵון) In **Judaism**, All Meaning The **Beginning** And The **Ending**, The **First** And The **Last**. And For God To Be The Author Of The Concept Of, The Beginning And Ending Would Subject Him To The Ultimate Question Of Beginning **OF WHAT?** And Why Do We Say That? Because The Concept Of In The Beginning

Questions To Dr. Malachi Z. York-El

About The Beginning

In **Genesis** Is Followed By The Statement, A Group Of **Gods** (**Eloheem**) Created The Heavens, And The Earth. The Next Question Would Be **FROM WHAT?** But The Third Part Of The Statement Of **Genesis Verse 2** Clears It Up When It States, "*And The Earth Was Without Form And Void And Darkness Was Upon The Face Of The Deep*". That Means Clearly That Something Existed, But It Was As Stated Without Form And Void And Darkness Was Upon The Face Or Surface Of The Deep, And The Spirit Of Gods (**Eloheem**) Moved Upon The Face Of The Waters. So This Couldn't Possibly Have Been The Very Beginning Of All Things Because Water Is A Compound Element **H₂O**, Which Reveals The Existence Of At Least Eight Elements: **1. Hydrogen, 2. Helium, 3. Lithium 4. Beryllium 5. Boron 6. Carbon 7. Nitrogen And 8. Oxygen.** In Order To Have **Carbon**, Which In Itself Is A Substance Produced By Burning Or Deterioration, Tells Us That Not Only Did Water Exist, But A Substance Or Matter Existed. So There Is No Way One Can Declare The Statement In **Genesis Chapter 1** As The Beginning Of All Creation And Of All Things.

Ques: If God Is The First And The Last, Who Established His Time Zone & What Was It Based Upon?

Ans: Firstly, Again You Are Assuming That I Am One That Has Succumbed To The God Propaganda Of The Monotheistic Religions, By That Question. But, To Address It Based On The **Alpha Omega** Theory, If Believers Believe Their God, Be It

Questions To Dr. Malachi Z. York-El About The Beginning

Jehovah, Allah, Or Theos To Be The First And The Last, This Would Be The Foundation For Their Laws Of Time. Even Though Their Holy Book Establishes Time After Their God Was Already Here When It States In **Genesis 1:14 And I Quote:**

Bible - Old Testament, Genesis 1:14 (With Hebrew Insert),

"And God אֱלֹהִים <'elohiym> said אָמַר <'amar>, Let there be lights מְאֹר <ma'owr> in the firmament רָקִיעַ <raqiya'> of the heaven שָׁמַיִם <shamayim> to divide כָּדָל <badal> the day יוֹם <yowm> from the night לַיִל <lavil>; and let them be for signs אֹת <'owth>, and for seasons מוֹעֵד <mow'ed>, and for days יוֹם <yowm>, and years שָׁנָה <shaneh>"

"And God Said, Let There Be Lights In The Firmament Of The Heaven To Divide The Day From The Night; And Let Them Be For Signs, And For Seasons, And For Days, And Years:"

King James Version

At This Point In The Bible, Time Is Being Established By Lights In The Firmament. The Hebrew Word Used For **Firmament** Is **Raqeeya/Raw-Kee'-Ah** (רָקִיעַ) Meaning "*The Skies*". They Are Talking About What All Astronomers Know As The Sun, The Moon, And The Stars, As It States In **Genesis 1:16** And I Quote:

Bible - Old Testament, Genesis 1:16 (With Hebrew Insert),

Questions To Dr. Malachi Z. York-El About The Beginning

And God **אלהים** <'elohiym> made **עשה** <'asah> two **שנים** <shenayim> great **גדול** <gadowl> lights **מאור** <ma'owr>; the greater **גדול** <gadowl> light **מאור** <ma'owr> to rule **ממשלה** <memshalah> the day **יום** <yowm>, and the lesser **קטן** <qatan> light **מאור** <ma'owr> to rule **ממשלה** <memshalah> the night **לילה** <layil>; he made the stars **כוכב** <kowkab> also."

"And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also."

King James Version

So, It Is Plain To See That Time Existed Before The Creation Of Time In The Bible, And Even **Genesis 4:3** Adds The Word **Time**, When In Fact In The Hebrew, The Word **Yowm** (**יום**) Is There For Day. What I Am Saying Is Based On The Bible. There Is No Accurate Calculation Of Time.

Ques: Does Time Go Forward & Backward?

Ans: Time Doesn't Go. Time Is Not A Process Of Motion, But The Confirmation Of Existence.

Ques: So Does That Mean That It's Not Possible For Time To Travel?

Questions To Dr. Malachi Z. York-El **About The Beginning**

Ans: The Word **Travel** In Itself Implies Moving From One Point To Another Point, While The Same Word **Travail** Means To Stay. Time Only Appears To Move From One Point To Another Because Man Has Numbered Existence, To Create **Once, Moment, Moments, 60 Moments, 60 Seconds, 60 Minutes, 24 Hours, Days, 7 Days, A Week, 29/30 Days, A Month, Years, 10 Years (A Decade), 20 Years (A Score), 50 Years (A Jubilee), 100 Years (A Century), 400 Years (A Generation), 1,000 Years (A Millennium), 25,000 Years (An Equinox), 26,000 Years (A Precession) And Eons.**

Man Took Existence And Declared It From One Point To The Next And Called It Clocking Time. Man Numbered It Into A Repeated Mathematical System And Thus, People Who Are Looking At A Flat Circular Concoction Called A Clock. Then, They Watch A Hand Go Into A Complete Circle, And Think That They Are Moving Forward, When In Actuality Time Just Is.

If Time Was In Part Moving, Then The Whole Solar System Would Be Moving And It's Not. The Earth Is Moving Around The Sun, And The Earth Is Rotating On Its Axis. However, The Whole Thing Isn't Moving, And A Clock On The Wall Is Not Moving. Time Travel Is Another Form Of An Illusion From Travailing, To Make You Think You Are Going Forward And Backward, When In Fact You Are Not.

Questions To Dr. Malachi Z. York-El
About The Beginning

Ques: If Time Does Not Move Backward Or Forward, Then Explain How John Prophesied The Book Of Revelation, Because The Book Of Revelation Speaks Of Things Happening In These Days And Time?

Ans By The Statement, *"As It Was In The Beginning So Shall It Be In The End"* (Matthew 24:37), Which Is The Same Thing. The Book Of Revelation Is Merely Talking About Things That John Saw If John Saw All Of These Catastrophes, Then They Were Already Happening As They Were Being Revealed To Him. God Was Merely, As You Say, Opening A Gate, Making It Possible To See Here And There At The Same Time. The Point Being, If John Saw These Things Happening, Then They Were Happening. Prophecy Is Merely Carrying The Thought To The Event, Or Carrying The Point To The Event Prophecy Of What Happened Today, Happened Ten Years Ago. I Remember A Man Saying, *"I Was There Which Is Here, When They Asked, "Let There Be Light?"*.

John Had A Vision Of The Future. He Saw And Witnessed The Vision. He Woke Up And Cried As If It Was A Nightmare. He Saw The Animals, And He Saw The Beasts. If It Happened In His Head, Then It Happened. There Is No Prophecy That Is Coming From The Past Forward, They Are All Here.

Ques: So Does That Mean Time To You Is Based On Experiences?

Questions To Dr. Malachi Z. York-El **About The Beginning**

Ans: Yes. Today Is Like Trying To Catch Tomorrow. When Tomorrow Comes, You Call It Today, And Today Becomes Yesterday. There Is Not One Yesterday, And There Is Not One Tomorrow, So You Are Not Going Anywhere. This Is A Part Of The Illusion That The Planet Moves Around The Sun And That Is True, But They Are Really Not Going Anywhere.

Ques: Is The Universe Going Somewhere?

Ans: Scientist Also Want To Know If The Whole Universe Is On A Journey Somewhere. The Answer Is Absolutely Not. Motion Is Defined By Moving From One Point To Another There Is Here And Here Is There. However, That Doesn't Mean That There Is No Such Thing As Motion. It Takes 25,000 Years For The Whole Universe To Make A Complete Revolution. It Works With The Equinox, Which Is 25,000 Years. Thus I Say, That Is What Time It Is.

Ques: How Is Here There, And There Here?

Ans: Realize That They, By Adding A Letter, Have Us Under The Illusion That There's A Difference. Take These Words: 1. **Where**, 2. **There**, And 3. **Here**. What Is The Difference? If We Remove The Letter **W** From The Word **Where**, We Have **Here**, And If We Remove The Letter **T** From **There** We Have **Here**. So In Reality, They Are One And The Same. It's Just A Play Based On What You Are Being Misled To Believe, Which Is Only An Illusion.

Ques: What Laws Govern The Universe?

Questions To Dr. Malachi Z. York-El
_____About The Beginning_____

Ans: It's Not What Laws. It's What Law, And That Is **CHANGE**.
The Only Definite In All Existence Is Change.

Ques: Why Is Earth Not In Tune With The Rest Of The Universe?

Ans: It Is On A **23 Degree** Axis Creating A Precession Of **26,000** Years. It Is In One Sense In Time And It Isn't In Another. At It's Circumference Or Certain It Is Creating The Equinox Of **25,000** Years And Its Polar Is Off Creating A Precession Of **26,000** Years. So, It Is In A Sense That Because It's A Part Of A Solar System In This Case Sun And Planets Revolve And Rotate Around One Another. It Isn't In A Sense That Each Planet Is Unique In It's Growth Based And The Distance It Is From The Center Of This Solar System Or Sun System.

Ques: How Would The Universe As We Know It Begin Again?

Ans: Quite Simply, Take A Bag Of Dehydrated, Stale Bread, Where All Life Has Appeared To Have Disappeared, Sprinkle Some Water In Your Hand, Throw It Into The Bag, Seal The Bag Up And Wait A Period Of Time, Upon Which You Will Find Mold. This Is Life Created By The Right Conditions. If You Ask Any Astronomer Questions On The Universe, They Really Don't Know The Answers. They Will Tell You What They Think According To Their Knowledge They Use Words Like **Could Be, Maybe, Might, Possibly, I Think, I Don't Know, I Have To See,** Just To Name A Few.

HOW IS THE COSMOS STRUCTURED?

Inflation explains, among other things, such mysteries as why the universe looks pretty much the same in all directions and how a peanut-butter-smooth distribution of matter in the young cosmos evolved into today's lumpy distribution, with clusters of galaxies surrounded by empty space."

WHAT IS THE UNIVERSE MADE OF?

"Leaving aside theory, the challenge of identifying and understanding the stuff that makes up the universe has become one of the most frustrating quests in science. Ques: When Did Life Begin?

Ans: When That Which Is Living Realized It. Now They Know There Is Life On Mars. **The Holy Tablets, Chapter 3** Told Them That Years Ago.

Ques: What Happens When You Move The Concept Of Time?

Ans: If Time Doesn't Actually Go Forward Or Backward, There Is No Beginning That Way Or This Way. If You Remove The Concept Of Time, Then You Take Away Heaven And Hell. And Again, Time Doesn't Go Backward And Forward. It Is The Misconception Of Time That Gives God The Power.

Ques: If There Is No Beginning And No Ending, Then Why Does The Physical Body Die And Then Become Reborn?

Ans: Your Question Is In Actuality The Answer. The Physical Body Is Composed Of Elements Formed And Shaped In The Womb From Other Elements, Ovum And Semen, That Is Formed And Shaped In The Male And Female, Who Are Also Inturn Composed Of Elements. So We Are Speaking About Bulk Matter, Mass- The Human Body. Once One Appears To Be In A State Of What People Are Calling Dead Or Death, Dehydration Into Rigor Mortis, Into A Breakdown, They Return To Dust Or Dirt To Become A Part Of The Substance Needed To Grow Life. Ques: The Process Of Life Is Better Said As Living, And Living Is Determined Over A Period Of Time From What Is Called Birth To Death. But, The Being Did Not Begin At Birth, As I Previously Explained, And Does Not Really End At Death, But, Is Merely A Part Of An On Going Metamorphoses Into Becoming.

Ques: If There Is No Beginning And No Ending, How Do We Know When Our Existence Has Ended?

Ans: Existence In Itself Confirms No Ending. In Order To Have An Ending Or An End Of Days On The World, A Final Day, A Last Day, You Must Have A Beginning. And Whoever Is Responsible Or Whatever Is Responsible For That Point Of Origin, Must Have Been There, Thus Predating The Beginning.

Ques: Exactly What Is The Beginning?

Ans: Beginning Is A Declaration Of A Point Of Origin Of something Or Action. What Is Prefixed To It Can Change The Whole Concept. For Instance: **In** The Beginning, Or **At** The Beginning, Or **The** Beginning Of, And I Can Continue On And On. Questions To Dr. Malachi Z. York-El

About The Beginning

Doubt To Just What Is Meant By Beginning And Exactly When, Where And How A Beginning Began.

Ques: How Many Beginnings Are There?

Ans: You Are The Beginning Of Everything, And With You Everything Begun. And When You Die That Is The End Of You. You Are Worshipping For What Is Promised To You And It's Not Guaranteed. For Example, You Were Promised Your Whole Life That If You Worship And Obey This God, And Turn The Other Cheek, Then You Go To Heaven. This Is Something That Is Not Guaranteed Or Confirmed To Be True. You Can Get Everything That Is Promised To You In The Scriptures Right Here On Earth. No One Has Returned From The Dead And Publicly Confirmed Your Hopes Of A Heaven Or Paradise. All You Do Is Wish And Hope For What You Have Been Promised. Or Is Everyone Who Died Somewhere, Just Waiting To Get Into Heaven? Now Imagine How Chaotic That Would Be.

Ques: What Is The Purpose Of The Beginning?

Ans: Religious Teaching Will Give You One Purpose And Scientific Facts Will Give Another. While Religion Is Based On **Faith, Belief** And Finally **Hope**, Scientific Data Is Based On **Research, Confirmation** And **Results**. Scientists Discuss The Beginning Of This And The Beginning Of That To Determine Where We Are In Time, Space And Matter. His Commands And Wishes, He Will Grant Them Luxuries, Thus Making God's Purpose From The Beginning, Service To Him.

Ques: Is Promise The Source Of Faith?

Ans: Yes. In The Monotheistic Religions, The Tactic Used Is A Promise Of All The Things That One Couldn't Obtain While Living On Earth. Some Call It **Heaven**, Others **Paradise** And Even Others The **Garden Of Paradise**. It's What's Promised To Those Who Blindly Follow The Dictations Of Mortals, Who Claim To Speak With, Have Spoken To, Or Are Inspired By God, Thus Having Faith, Beliefs, And Hopes For What Is Promised. This Is An Abode Where Responsibilities, Obligations, Accomplishments, Failures, Challenges, And Fears Don't Exist.

Ques: What Governs This Abode?

Ans: Cause And Effect.

Ques: What Is Wrong With Believing In The Heaven Concept?

Ans: Nothing Is Wrong With A Belief In Anything, As Long As You Realize It Is Just That, A Belief And Not A Fact. Just Look At It This Way: If You Were To Die And Go To This Place Called Heaven, You Would Want To See All Of Your Past Relatives, Who Would Also All Be Looking For Their Past Relatives. You Would Want To See Muhammad, Moses, Jesus, Maybe Your Favorite Hero Caesar Or Genghis Khan. But, Imagine The Confusion Of Everybody All Running Around Looking For Someone Else.

Ques: Is There A Difference Between Heaven And Paradise?

Ans: Yes, The Word **Heaven** Has Its Root In The Middle English Word **Heven**, From Old English **Heofon**. You Will Find As The Languages Shift From Latin To The More Recent English, **Heven** Came From **Haefen**, Meaning "*A Harbor Anchorage Or A Port*". So In Fact, The Original Meaning Of **Heaven** Was Not The Abode Where God Dwells, But, The Port To Which You Dock And Meet God, A Place You Would Arrive At.

Now The Word **Paradise** Is Generally Thought Of As Being From The Greek Word **Paradeisos**, Meaning "*Garden, Enclosed Parked*" Or Area It Has It's Root In **Pairi**, Which Means "*Around*," And **Daeza**, Meaning "*Wall Around The Wall Or The*

Questions To Dr. Malachi Z. York-El About The Beginning

Enclosure". The Bible Uses **Gan** "Eden" In **Genesis 2:8**, Where It States: "*And The LORD God Planted A Garden Eastward In Eden And There He Put The Man Whom He Had Formed.*" The Hebrew Is **Gan** "Garden" And **Eden** For "Delight". So You Get Simply The Enclosed Garden Of Delight, Where One Receives Great Pleasure And Joy. The Word **Delight** Is From The Latin Word **Delicere** Meaning "*To Allure*", And The Word **Lacere** Meaning "*To Entice*" Again, We Are Back To Promises Of Pleasure And Luxury To Lure People To A Specific Place. Why Would A God That Knows Your Every Thought, Feelings, Plan, And Wishes (*Psalms 44:21*) Need To Lure You?

Ques: So When Was The Beginning Of The Creation Of Earth?

Ans: The Word **Earth** In The Bible Is (אֶרֶץ <erets>) And In The **Qur'aan 2:11** It Is (أَرْض <ard>) Which Just Means "*Ground*" And Can Actually Apply To Any Planet In Any Solar System In Any Universe And Any Galaxy. It Is That Possessive Part Of Man's Nature That Makes Him Think That The Word Earth, Is His And His Alone. Just As Mortals On This Planet, Called Earth, Take It Upon Themselves To Name Other Planets: **Mercury**, **Venus**, And **Star Constellation Galaxies And Systems**. So, You Seek An Answer To The Beginning Of Earth, When In Fact What You Want To Know Is The Beginning Of This Very Planet On Which You Stand.

So The Very Mention Of Gold, And Good Gold,

Questions To Dr. Malachi Z. York-El

About The Beginning

Implying That There Was Other Than Good Gold, Changes The Whole Concept Of The Age Of The Planet You Stand On And Call Earth.

Ques: Does Each Planet Have It's Own Time Zone?

Ans: Yes. If You Can Call It A Time, Based On The Rotating Of A Mass Around A Sun, Which Is Going Nowhere, How Long It Takes For It To Complete That Cycle Would Be Based On How Far Away It Is From The Central Mass, Designating A Period From Start To Finish In A Circular Motion In This Solar System. Mercury To Date Is The Closest Planet To Your Sun. So, It Has A Shorter Period Of Rotating Than Does Earth, Which Is The Third In Distance From The Sun.

Ques: Were All Planets Created At One Time Or At A Gradual Process?

Ans: Note How Time Is Being Used Now. At One Time With A Single Moment Not Moving Forward. Planets Were Not Created. They Grew Through Time. To Say That Planets Were Created Is To Say That Some God Being Went Poof The Magic Dragon, And Things Just Started; And That's Just Not The Way Science Works.

Ques: Do Bible Scholars Acknowledge Other Planets?

Ans: Yes, In Fact **Job 9:9** Mentions **Orion** And **Pleiades**. It Even Points Out The Star Constellation Of **Arcturus**. It States:

Ques: What Does The Words Beginning Mean?

Ans: According To "*The American Heritage Dictionary*", The Word "*Beginning*" Is Defined As Such:

"The Act Or Process Of Bringing Or Being Brought Into Being, A Start. **2.** The Time When Something Begins Or Is Begun: **3.** The Place Where Something Begins Or Is Begun: A Source; An Origin:"

The Beginning Means "*The First Time*" Of Something. In The Mistranslated King James Version From The Aramic (Hebrew) Of **Genesis 1:1**, It Says ("*In The Beginning God Created...*") As Translated In English. However, This English Translation In Your Bible In **Genesis "Chapter 1, Verse 1"**, Using The Word "**Create**" Is Incorrect. Because The Word Being Used Is **Rara** (ברא) In Aramic Hebrew, Which Means "*Reconstruction*," Not Creation. The Correct Word For Creation Would Be **Khalafa** (חלף) In Aramic (Hebrew) And In Ashuric/Syriac (Aramaic) (خلق) **Khalqu**, Meaning "*The Creation*", And It Is Not Used In This Case.

Ques: What Is The Difference Between The Word Khalafa And Bara?

Questions To Dr. Malachi Z. York-El About The Beginning

Ans: The Difference Between The Word **Khalafa** And **Bara** Is That The Word **Bara** (ברא) In Aramic (Hebrew) And **Bara** (برى) In Ashuric/Syriac (Arabic), Means To "*Re-Construct, Re-Create, Or Remodel Something That Already Existed, Was Pro-Created Or Made*"; This Refers To The 12th Attribute, **El Baariy** (البارى) Meaning "*The Maker*." This Is The Same Word As **Bara** (ברא) In Genesis 1:1. The Words Used For Make Is Also **Ja'ala** (جعل), **Sana'a** (صنع) Or **'Amala** (عمل) Or To Do Or Make. Whereas, The Word Meaning Create In Aramic (Hebrew) Is **Khalafa** (חלף), Which Is The Same As **Khalafa** (خلق) In Ashuric/Syriac (Arabic). **El Khaaliq** (الخالق) The 11th Attribute Of Allah (Koran 13:16), Means "*The Creator*". So You See They Played Games With Words. Therefore, The Creation Story As You Know It Is Not Really Creation, But A Re-Creation Or Re-Construction Which Is **Bara**. Not **Khalafa**. This Took Place 19,000,000 Years Ago. This Reconstruction Period Brought About A New Replenishing For The Planet Earth, Which As The Bible Book Of **Genesis 1:28** Tells You That Adams's Job Was To Refill And Replenish The Planet Earth. This Replenishing Process Happens Every 24,000 Years, Bringing In A New Cycle.

Ques: Can You Explain The 24,000-Year Cycle?

Ans: If You Are Referring To An **Equinox**, It's Quite Simple. There Is A Universal Equinox And An Earthly Equinox; Equinox Simply Being When The Length Of Day And Night "Shadow Hour" Are Equal, Coming From **Latin** *aequinoctium*: *aequi-*, *equi-*

Questions To Dr. Malachi Z. York-El About The Beginning

+ *nox*, noct-, "*night*". The Planet Earth Goes Around The Sun, Called **Solar**, From The Latin Word **Sol**, Meaning "*Sun*" And **Ar**, From The Hittite, A Canaanite Deity Named **Arinna**, "*Goddess Of The Sun*", (Which Is The Center Of This Solar System), In 365 Earth Days.

There Are 4 Cycles, 2 Moon Cycles And 2 Sun Cycles. Each Cycle Lasts **6,000** Years. These Four Cycles Make Up What Is Called An Equinox, Which Lasts **24,000** Years. We Are Currently In The 4th Cycle Of The **24,000** Years. This Cycle Is Called The Sun Cycle. So The First Cycle In This Equinox Was A Moon, That Changed To A Sun Cycle, That Changes To A Moon And Back To A Sun Cycle, Where We Are Currently.

Diagram 11
The 24,000 Year Cycle

Questions To Dr. Malachi Z. York-El

About The Beginning

These Cycles Not Only Involve A Change In Evolution, Which Has Actually Come To An End And Is Thrown In Reverse, But They Are Now Regressing To The Original Primitive State They Were Evolving From. This Is What Is Happening To Mankind. With The Sun Cycle, It Has Turned Into A Revolutionary Cycle.

You Have This Whole Galaxy Or Solar System, Central Solar, With Systematic Bodies Moving Around It. It Moves Around A Larger Mass Every **24,000** Years. Of Course, That Varies In An Equinox. Your Equinox Varies From **24,000** To **24,896** Years, Which Is Also The Circumference Of The Planet. **24,896** Miles Where Land That Is Equal To One Mile For Every Year. The Planet Called Earth Positioned Itself In The Location Of The Revolution Of Earth In The Year **1970 A.D.** Which Was The End Of The 3rd Cycle, As You Know It.

When The Sacred Seal Was Broken, The 7th Seal, And The Right Knowledge Started Pouring Out. The Reformer Was Made Known And He Began The Healing Or Renewal Of Our History.

Ques: When You Say That Genesis 1:1 Is Not The Beginning, Does That Also Mean This Is Not The Original Creation Of The Heavens And The Earth?

Ans: Yes, It Was Simply A Pro-Creation Period. If **Genesis 1:1** Was Making Reference To The Original "*Creation Period*", It Would Use The Correct Hebrew Word **Khalaq** חָלַק, And Arabic Word **خلق**. However, It Is Making Reference To A "*Re-Creation Or Re-Construction Period*". Thus, It Uses The Right Hebrew

Questions To Dr. Malachi Z. York-El **About The Beginning**

Term **Baw-Raw** "*To Pro-Create, Re-Create*", Just As In **Genesis 1:28, Replenish** And **Genesis 9:1, Replenish** The Earth. By The Simple Fact That God Said To Re-Plenish The Earth, Which Was Also Told To **Noah** After His Flood, **Genesis 9:1**, Then This Shows You That This Was Not The Original Creation, For If It Was, There Would Be No Need For God To Say Replenish To Something That Was Just Created.

Ques: Can You Explain What Does The Word "Create" Really Mean?

Ans: What You Should Be Asking Is: "According To What Language Does The Word Creation Mean This Or That, And Who Said So?" First Of All, When You Start Researching The Definition Of Any Word, You Must Look At The Person Defining The Word, Look At Their Background, And Their Beliefs: Be They Scientist, A Theologist, A Philosopher, Or An Anthropologist. People Define Words According To Their Own Definitions, Their Own Languages, Their Own Experiences, And How They See Things.

When You Take A Look At The Word **Create** You Can Find Its Meaning Through The Eyes Of Science. According To "**Funk & Wagnalls New Comprehensive International Dictionary Of The English Language**," The Word **Create** Is Defined As: "*To Grow, To Cause To Come Into Existence; Originate, To Be The Cause Of, To Be Produced, To Be The First.*"

Questions To Dr. Malachi Z. York-El About The Beginning

A Large Majority Of The Population Sees Creation As Causing Something To Come Into Existence That Did Not Exist Before, To Originate And To Be The First. All Of These Definitions Of The Word Are Telling You That Creation Is Something That Happens At A Moment In Time, But This Is Not Fact. Creation Is Something That Happens Over A Period Of Time, However, It Has To Have One Point To Start From.

This Is Important For The Mental State Of You Humans, Because Without This Fact, You Will Go On Getting Caught Up In Spookism; Thinking That Some All Powerful **Aum-Nipotent** (Omnipotent), All Seeing **Aum-Niscient** (Omniscient), All-Present **Aum-Nipresent** (Omnipresent) Individual God, With A Magic Wand, Simply Decided To Create The Solar System With All The Planets, Animals And Man: Then “**Ta-Daa!**”, It Happens At The Snap Of A Finger By He Who Has No Beginning Or End. Some Even Say He Is **The First, El Awwal** (الاول) And The Last, **El Aakhir** (الآخر) Or The **Alpha** (Α) And The **Omega** (Ω). Still They Can't Say Where He Came From, Or Who Created Or Gave Birth To Him. They Will Just Avoid This Point, Or Call You Names For Asking. They Make You Afraid To Even Ask Yourself, Where Did **He, God, Allah, Yahweh, Thehos, She Or It** Originate?

Look At The Word Creation: The Root To Finding Out The True Meaning Of This Word Is By Examining The Word Itself. The Word Creation Is Made Up Of The Root Word “**Create**”. In The English Language It Is Classified As A Verb, Thus Making It An Action That Is Carried Out. Create Means To “**Bring About A Thing; To A New, Or For The Very First Time, Bring Something**

Questions To Dr. Malachi Z. York-El
About The Beginning

Into Existence." The Suffix **"-Ion"** When Applied To The End Of A Verb, Turns The Word Into A Noun, Which Is A Person, Place Or Thing So, The Word **"Create"** With The Suffix **"-Ion"** Added On Turns The Act – **"Create"** Into A State Or Condition Of Create; And A Condition Is Defined As **"An Agreement"**, **"To Agree Upon"**, **"Or To Talk Over"**. This Would Also Mean That It Was Something That Took Some Time To Happen.

When Analyzing Any Other Verb And Adding **Ion** To It, You Will Find That In Whichever Language You Speak It, And That Alone Tells You, You Don't Know Because When You Analyze The Word **Create**, It's Always From Someone Else's Point Of View. That's Why I Tell You When You Define Any Word, You Must Define It From Its Original Language, Not By The Person's Translation. Otherwise, That Person Is Defining The Words For You.

Overstanding The English Word **"Creation"**, Is An Important Step In Overstanding Everything In Your Universe, Including The Composure Of Your Universe. The Same Thing Happens In Aramic (Hebrew) And Ashuric/Synac (Arabic), Just As It Happened In English With The Word Creation. There Are Some Things In Your Universe That Are Beyond Your Comprehension, Because Your Definitions, Your Interpretations, Your Explanations Are All Within Your Circles Of Time, Everything Keeps Leading Back To Your Definition Of Some Movie You Were Shown. Then When I Try To Tell You Things, I Have To Relate Everything To What You Know, According To Your Definitions. You Are In A Vacuum Of Laws, Time, Space, And Information Just Like When Using The English Language. Take A

Questions To Dr. Malachi Z. York-El About The Beginning

Word, Any Word, When Trying To Overstand What You Would Call A Foreign Language. You Try To Associate The Definition That Is Set By English Standards, Or Whatever Language You Speak. Your Information Is Limited, Your Space Is Limited, And Your Time Is Limited. You Are Trapped Within A Vacuum Where Everything Must Be Defined In The Category Of Person, Place, Or Thing. You Can't Even Think Of A Number Greater Than The Number **Nine** (9). Don't Think The Numbers: 10, 11, 12, ... Are Greater Because 10 Is Merely $1+0 = 1$; 11 Is $1+1 = 2$ And 12 Is $1+2 = 3$. So These Numbers Are Not Greater Than The Number Nine. Therefore In Trying To Explain "**Everything**" In The Universe To You, I Will Have To Try To Put Them Into Terms, Or Within These Categories That You Overstand, And In The Process, Take Away From What I Am Trying To Explain To You About The Beginning. However, In Order To Get The Full Breakdown We Must Go Into The Meaning Of The Word "**Begin**", Because That Is Where The Word **Begin-ning** Originated From. According To "*The American Heritage Dictionary*", The Word "**Begin**" Is Defined As:

BEGIN: Middle English *Beginnen*, From Old English *Beginnan*, From Gothic *De-Ginnan*, "To Begin", From Teut. *Bi-Ginnan*, Meaning "To Touch, Begin".

The Etymological Dictionary Defines "**Beginning**" As:

*Beginning From Begin: Middle English *Beginnen*, From Old English *Beginnan*, From Gothic *Du-Ginnan* From Teut. *Bi-Ginnan*, From *Bi-* (See *Be*) And *Ginnan*, Which Is Prob. Cogn. With Alb. *Ze* And *Zq*, Meaning "To Touch, Begin".*

Questions To Dr. Malachi Z. York-El **About The Beginning**

The **Beginning** Is Termed By The Ryrie Study Bible, Page 7, Column 1, *As The Beginning Of The Creation Of The World, Not Of Eternity.*

However, The Word **Begin** Is Simply Two Words Put Together, "**Bi**" And "**Gin**". The English Word **Bi** Comes From The Latin Word **Bis**, **Bi** Meaning "*Twice*", And **Bini**, Meaning "*Two By Two*", And The English Word **Gin**, Spelt With A "**J**" (**Jin**), The Root Of The Word **Jinn** Or **Jinni** Or **Genie**, Which Is Defined As. *1. A Supernatural Creature Who Does One's Bidding When Summoned. A Jinni, From French Génie, "Spirit" From Latin Genius, "Guardian Spirit;"*

Make Note That The First Book Of The Old Testament, **Genesis 1:1** Says "*In The Beginning*", It Begins With The Hebrew Letter "**B**" Or **Bayth** (ב). The First Book Of The New Testament **Matthew 1:1** Begins With The Greek Letter "**B**" **Beta** (β) "*The Book* (βιβλος- **Biblos**) *Of The Generation...*", And The First Opening Prayer Of The **Koran 96:1** Begins With The Arabic Letter "**B**" Or **Baa** (ب) "*In The Name* (بسم - **Bismi**) *Of Allah...*" **Al Alaq** "*The Clot*"..

Ques: Why The Letter "B"?

Ans: "**B**" Is The Second Letter Of The **Hebrew, Arabic And Greek Alphabet**. It's The Latin Or **Greek Number 13**, $10 + 3 = 13$, But The Letter "**B**" Falls Second And Has The Numerical **Abjad Number 2**, And Represents "*House Or Tent*". So When It Uses The Hebrew Letter "**Be** (ב)" For "*In*" The Beginning, Then It Is Making The Implication That God Or The **Gods - Eloheem**

Clarke's Commentary Defines The "Beginning" As:

The Jewish Interpretation

The Pentateuch And Rashi's Commentary, A Linear Translation Into English, By Rabbi Abraham Ben Isaiah And Rabbi Benjamin Sharfman, Defines The "Beginning" As:

This Passage Calls For A Midrashic Interpretation, As Our Rabbis Have Interpreted It: "[God Created The World] For The Sake Of The Torah" Since It Is Called (Prov. 8 22), "The Beginning, Of His Way"... But If You Should Come To Interpret It In Its Plain Sense, Thus Explain It: At The Beginning Of The Creation Of Heaven And Earth, When The Earth Was Unformed And Void, And Darkness [Was Upon The Face Of The Earth, Etc.] God Said: "Let There Be Light." For The Passage Does Not Come To Teach [Us] The Order Of The [Acts Of] Creation, To Say That These [Heaven And Earth] Came First. For If It Came To Teach Us That, It Would Have Been Necessary To Write: "At First" He Created The Heavens, Etc.:

The Muslim Interpretation

Yusef Ali's Commentary Defines The "Beginning" As:

Questions To Dr. Malachi Z. York-El **About The Beginning**

God's Creation Is Not A Simple Act. Once Done And Finished With. It Is Continuous, And There Are Many Stages. Not The Least Important Of Which Is The Hereafter, When The Fruits Of Our Life Will Be Achieved.

According To Different Religions, The Creation Of The Planet Earth, The First Man, Or In Other Words, **"The Very Beginning"**, Dates Back At Different Times. According To **Christianity**, The **Christians** Claim The Concept Of The Very Beginning Or Creation Dates Back **4,004** Years Ago (New Testament). According To **Islam**, The **Muslims** Claim That The Concept Of The Beginning Was **6,000-10,000** Years Ago (Koran), And According To The **Hebrews** Or **Jews**, They Claim That The Beginning Was **7,000** Years Ago (Torah). But, It Has Been Proven Through Scientific Facts That The Sun Is Billions Of Years Older Than The Planet Earth. In **Genesis 1:14**, It Says In Part And I Quote: **"Let There Be Lights..."** Also, In **Genesis 1:10** It Says In Part: **"...And God Called The Dry Land Earth;..."**. According To Bible Scholars The Events Of The Bible Occurred In The Order They Are Recorded (**Qur'aan 21:33** As Well As **Qur'aan 6:1**).

The Beginning, According To The **Biblical** And **Koranic** Concept Is Widely Accepted As The Beginning Of All The Creation And All That Exist In The Heavens And The Earth According To **Genesis 1:1** And I Quote:

Bible – Old Testament Genesis 1:1 (With Hebrew Insert)

Questions To Dr. Malachi Z. York-El **About The Beginning**

Both Religions Will Openly Admit A Birth Date Record For Their Scripture And It's Recordings, Which Clearly States That It Was Not Written At The Very Beginning Nor In The Beginning, But Thousands Of Years After, Out Of Memory, Or Recorded In The Very Beginning.

Yet, When You Go Past The English Translations And Research These Texts According To The Original Languages Of Which None Of Them Claimed To Be In, Concerning The Very Usage Of The Names For Deity, There Is Deception. **Arabic** Is Not An Original Language, Nor Is **Hebrew** Or **Greek**.

For Instance, Throughout The Koran And Bible, The Word God Is Used Often Times Referring To **Idols**, **Demons** And Even **Mortals**. So, They Had To Have Concocted A System Of Deterrence Where They Claim Big G And Small g Makes The Difference. Meanwhile, In The Koran, Muslims Are Confronted With The Pluralization Of The Word **Allah** (الله) **Alihat** (الهايات), And Even A Female Idol By The Name Of **Allat** (اللات), Where As The Greeks Alternate **Thehos** (θεος), **Kurios** (κυριος), Or **Despotes** (δεσποτης). Never Anticipating Thousands Of Years Ago When Scribes Ruled By The Pen, That The Computer Would Come Into Existence And Give One The Ability To Scrutinize And Analyze These Biblical Text, And Reveal The Startling Facts About Their God's Creation And The Beginning.

Let's Begin By Looking At The Word **God**. Stop And Think One Moment. The Name God Is Not Really In The Bible. If This Is Not An English Book Written By Englishmen, It's Not There; It Was

Questions To Dr. Malachi Z. York-El
About The Beginning

Added. You Will Also Find That God, Whether You Have A Big G, Or Little g, Is Not Being Used In The Singular Tense, As **Eloh** (אלה) Or **Allah** (الله). The Beings Spoken Of In The Bible And The Koran Are The **Eloheem** (אלהים), The Plural Of **Eloh** (אלה) Not **GOD**, **god** Or **Lord**, And The **Malaa-Ikat** (الملائكة) (*Koran 21:16, 51:47*), Who Was Sent Down To Earth From Heaven To Do The Works Of **El** (אל). The **New Testament** In Greek, Which It Was Not Originally Has **Angelos** Meaning "Messenger" However, That Was Not In The Original Text. And Just Why Are The Plural Forms Being Used In These Texts, The Bible And Koran, When Making Reference To The Actual Beginning? Isn't "The Beginning" Supposedly When It All Began? And Doesn't **Genesis 2:1** State:

Bible – Old Testament, Genesis 2:1 (With Hebrew Insert)

"Thus the heavens שמים <shamayim> and the earth ארץ <'erets> were finished כלה <kalah>, and all the host of them צבא <tsaba'>.,"

"Thus the heavens and the earth were finished, and all the host of them."

King James Version

The **Hebrew** Uses The Word **צבא** (Tsaw-Baw) Meaning "Army, Host (Of Angels)" For **Host** In **Genesis 2:1**. These Host Or What

They Now Call **Angelic Beings** Originally Called **Eloheem** In **Genesis 1:1**, And **Cherubims** In **Genesis 3:24** Were Included In The Creation Of The Heaven And The Earth, Which Was Witnessed By One God The Bible Says, Who Is An Egyptian God 'Supreme Being', Called By Name In **Revelation 3:14 Ho Amane** (αμην) Or Simply "*The Amen*" *Amon-Re, Amun-Ra, Amen, The Faithful, And True Witness, The Beginning Of The Creation Of God*. And The Greek Word Used For God Is **Thehos** (θεος), Which Would Be **Eloheem** (אלהים) In Hebrew. So Shouldn't God In The Singular Tense Be Speaking And Not Gods In The Plural Tense? The Question Comes Up Now, Just Who Is Or Are These Gods Spoken Of In The Beginning? And If **Genesis 1:1** Is Not Making Reference To The Beginning, Then Just When Was The Beginning Of The Creation Of Heaven And Earth? Where Did The **Biblical** And **Koranic** Concept Of The Beginning Come From, Which Is Still Being Taught To Every Child Throughout The Three Monotheistic Religions, **Judaism, Christianity** And **Islam** And Their Many Sects And Denominations, Despite The Scientific Evidence Proving The Creation And Evolution Of The Planet Earth Dated Back Further Than The Origin Of The Bible? These Holy Texts, Be It The **Tanakh** (Torah), The **Evangel** (New Testament), Or The **Qur'aan** (Koran), Each Have Their Version Of The Beginning, All Extracted And Changed To Suit Their Likings From The Creation Stories Found In The Ancient Sumerian Tablets In Cuneiform, Such As The **Enuma Elish, The Atra Hasis, The Gilgamesh Epics, The Etana, And Ishtar Descent To The Underworld**, Just To Name A Few. It Is My Duty To Inform You Of The True Story Of The Beginning And Where It Was Copied From.

The More They Discussed It, The More Clearly Their Clamor Grew For Such A Primitive Worker To Take Over The Workload. But They Wondered, How Can You Create A Being Intelligent Enough To Use Tools And To Follow Orders?

And **Enqi** Answered, "*The Creature Whose Name You Uttered-It Exists. All You Have To Do Is Bind Upon It The Image Of The Anunnaqi*". The **Anunnaqi** Decided And Resolved To Proceed With The Task, And On **Enqi**'s Suggestion, Assigned The Task To **Ninti**, Their Chief Medical Officer (*Refer To "The Holy Tablets" Chapter Two, El Abd, The Slave*). All The **Anunnaqi** Agreed To Create A Being That Would Do The Job For Them. And This Being They Called **Lulu Amelu**, Meaning "*Primitive Worker*."

The Creation Of The First Human Was Done By Genetic Manipulation. It Was Not Done In An Instant. It Took Six Hundred Years In The Grafting And The Making Of This Being Called The **Humim**.

The **Anunnaqi** Went Through A Lot Of Trial And Error To Get The Perfect Being, Which Accounts For All Of Your Defects In Your Body. And This Is Mentioned In The Correct Translation Of **El Qur'aan 76:2**, By Noble: **Rev. Dr. Malachi Z. The Hopi's Interpretation

"The Hopi", Authored By **Nancy Bonvillian** Defines The **"Beginning"** As:

"The Earth Was Covered With Water. There Was No Dry Ground. No Animals Roamed The Mountains And Plains, No Birds Flew In The Air, And No People Lived. But Inside The Darkened Earth Dwelled Deities And Spirits With Great Knowledge And Power.

The Sumerian's Interpretation

"The Sumerian Inventors And Builders", Authored By **Elizabeth Lansing** Defines The **"Beginning"** As:

"According To Sumerian Belief There Were Four All-Powerful Creating Gods In The Universe: An, Enlil, Enki, And Ninhursag. The "Exalted Lady," Who "Nourished" The Sumerian Rules, Was Ninhursag, The Mother Of All Living Things She Occupied Herself In The Creation Of Man And In Bringing Green Things To Earth. The Sumerians Believed That This Garden Of The Gods Existed Somewhere To The East. Enki Carried Out Enlil's Commands And Did The Actual Work Of Creating, After Enlil Had Formed The Master Plan".

The Hindu's Interpretation

According To The Book "**Great Religions Of The World**", "**Beginning**," Is Defined As:

"...In The Beginning There Was Neither Naught Nor Aught: Then There Was Neither Sky Nor Atmosphere Above. Then Was There Neither Day, Nor Night, Nor Light, Nor Darkness. Only The Existence One Breathed Calmly, Self-Contained. The Act Of Creation Is Past; The Creative Power Of The Deity Has No Immediate Interference In The Preservation Or Destruction Of The Universe. Brahma Is Called First Of The Gods; Framer Of The Universe; Guardian Of The World. He Is The Personification Of Matter Generally: From Him All Things Proceeded, And In Him Pre-Existed The Universe; Comprehending All Material Forms, Which He At Once Called Into Creation Or Arranged Existence. The Hindu's Acknowledge Only One Supreme Being, Whom They Call Brahma, Or The Great One. They Believe His Essence To Be Infinitely Removed From The Comprehension Of Any Mind But His Own; And They Supposed Him To Manifest His Power By The Operation Of His Divine Spirit, Vishnu, The Pervader; Both Masculine Gender: Whence He Is Often Denominated, The First Male. And By This Power It Is Believed, That The Whole Order Of The Universe Is Preserved And Supported. When They Consider The

The Chinese Interpretation

According To **"World Religions"** Book, Authored By **John Bowker**, The Chinese Interpretation Of **"Beginning"** Is Defined As:

"Tao Means 'The Way' By The Source And Guarantee Of All There Is In This Or Any Other Universe. This Means That The Tao Is The 'Unproduced Producer Of All That Is' - The Source Of All Things Taoism Is So Called, Because It Shows To Live According To The Tao, By Going With The Flow And Not Struggling Against The Tide. Tao Is Related To Te, The Power To Bring The Tao Into Realization In All Things. As The Taoist Liu Ling Said, 'I Take The Whole Universe As My House And My Own Room As My Clothing? The Great Virtue Is Active Non-acting, Or Wu-Wei: Tao Invariably Does Nothing, And Yet There Is Nothing That Is Not Done."

The Japanese Interpretation

According To **"World Religions"** Book Authored By **John Bowker**, The Japanese Interpretation Of **"Beginning"** Is Defined As:

"Kami. In It's Most General Sense, It Refers To All Divine Beings On Earth Or In Heaven That Appear In The Classic Texts. More Specifically, He Kami Are The Spirits Abiding In And Worshiped At Shrines. In Principle, Humans, Birds, Animals Trees, Plants, Mountains, Oceans, Can All Be Kami. In Ancient Usage, Anything That Was Out Of The Ordinary, Or That Was Called Kami... Evil And Mysterious Things, If They Are Extraordinary, Are Called Kami." The Most Important Are The Creators Izanami And Izanagi, And The Sun Kami, Amaterasu "

The Shoshoni's Interpretation

According To A Book Entitled "**Northern Shoshoni**", Authored By **Brigham D. Madsen**, The Shoshoni's Interpretation Of "**Beginning**" Is Defined As:

"Shoshoni Culture Was Enriched With A Tradition Of Legends To Explain The Distant Past. A Variety Of Complex Mythological Tales Of Creation Make Up An Important Part Of The Shoshoni Heritage: Ordinarily These Portray Two Participants: Wolf And Coyote. Wolf Usually Starts As Creator While His Younger Brother, Coyote, Enters As A Trickster Responsible For Death, Disease, And Pain. Coyote Brings Ill To The World, Normally Through Carelessness, Laziness,

Or Error. His Mistakes Confused And Disrupted The Original Perfection Of Wolf's Creation And Resulted In A World Less Good, Which Replaced The Perfection Of The Original World. As An Example, In One Of These Creation Stories, Wolf (Who Was Wise And Knew What Was Needed For An Ideal Earth) Told Coyote To Lay Soil On The Original Water On Which Their Land Was Formed. Following Wolf's Instructions, Coyote Ran Over The Area In All Four Directions Placing Land On The Water As Required. But Coyote Was Too Lazy To Keep Running Long Enough To Make Territory Sufficient For Everyone Who Would Need Living Space. Because Of The Coyote's Lack Of Industry The Earth Grew Overcrowded.

"Then Allah Created The Sun And The Earth. He Made The Suns And Painted The Skies In Brilliant Colors. Then Everyone Knows It Is Time To Get Up And Worship The Lord. They Believe That The Earth Is Flat Like A Saucer And It Rests On The Horns Of A Bull. And The Bull Stands On A Huge Fish. The Earth Has Seven Layers, Separated By Air Just Like A Building. The First, Top Floor, Is Where The Children Of Adam And Eve Live. The Second Is The Home Of The Winds. On The Thurd Lives A Race Of Very Good People, Who Have Big Ears And Dog Like Faces. The Fourth Is Where Fire Lives; The Fifth Houses Scorpions As Big As Camels With Poisonous Tails Of Steel. Rock Man Went One Way, Bamboo Man The Other. Rock Man Found Iron; Bamboo Man Groaned: His Knees Itched And Swelled Up. From His Left Knee, Out Popped A Girl, And From His Right Knee, A Boy. Then This Same Thing Happened To Rock Man. When The Son Of Bamboo Man Grew Up, He The Married The Daughter Of Rock Man And They Had Children And There Were Many Generations Of Happy Families. They Learned To Use The Iron For Tools And The Silver For Ornaments. They Learned To Fish And Build Canoes And Sing Songs To Insure Success On Voyages. And So They Lived Wonderful Lives."

Purusha-Hindu

"Pursha Is A Deity Who Is Both Female And Male. Pursha Split In Half And Mated With Him/Herself And Then Gave Birth To Human Beings. But The Female Half Of Purusha Was Ashamed And In Pain. She Tried To Disappear, But Was Instead Turned Into A Cow. The Male Pursha Turned Into A Bull And Mated With The Cow, Thus Creating Cattle. Every Living Creature Was Made In This Way. The Female Pursha Would Turn Into A Kind Of Animal, The Male Purshua

Rangi And Papa- Polynesia And Maori

"For More Than A Million Years, Father Sky, Whose Name Was Rangi, And Mother Earth, Whose Name Was Papa, Made Love. Everything In The World Was Created In The Darkness And Movement Between Their Two Bodies. Rangi And Papa's Children Were Gods. And They Were Tired Of Living In Such A Cramped Space, In The Dark, With Constant Motion. They Held A Meeting To Decide What To Do. The Father Of Human Beings, Whose Name Was Tu-Matau-Eenga, Said, 'We Should Kill Our Parents.' The Father Of Forest, Whose Name Was Tane-Mahuta Said "No. Let's Just Push Them Apart. Then Our Mother Can Still Support Us. And Our Father Can Watch Over Us From Above. Many Gods Tried. He Pressed His Head Into His Mother's Navel, And Pushed His Feet Up Against His Father. He Pushed And Pushed And Pushed. What's Going On? What Are You Doing? Cried Rangi And Papa. How Dare You Be So Disrespectful? But The Father Of Forests Kept Pushing And Finally The Two Separated. And At Last There Was Light. But There Was Also Anger And Sorrow, For Father Sky Missed Mother Earth Desperately. One Of The God Children, Father Of Winds And Storms (Whose Name Was Tawhiri-Ma-

Ymir-Norse

"Once There Was A Land Of Ice And A Land Of Fire, Which Met In A Great Abyss Called Ginnungagap. Mists Rose Up From This Chasm, And Out Of It Came Audhumla. The Cow Audhumla Licked The Ice And Released Three Gods. One Of Them Was Odin. Then Out Of The Mist Came A Giant Ymir. He Drank The Cow's Milk And Giant Children Sprang Into Life From Between His Toes. Odin And The Other Gods Decided To Kill Ymir. So Odin Thrust A Spear Into His Heart. The Blood That Gushed Forth Drowned All The Giants. Ymir's Skull Became The Dome Of The Sky, His Bones, The Continents, His Brain The Clouds, His Hair The Plants, And Blood The Rivers And Seas. Ymir's Eyebrow Became Midgard, The Home Of The Gods. Humans Were First Little Toys Made By Elves From The Joints Of Ymir's Bones."

Uranus-Greek

She Asked The Seven Sons Who Had Not Been Banished To Push Uranus Off Of Her. The Youngest, Cronus, Led The Attack. He Castrated His Father With A Sickle. The Blood That Spilled Became The Furies. Uranus Left Gaea, His Goddess Of Love And His Eyes Became The Stars, Which Look Down Coolly On The Violent Happenings Of Earth."

Tlaltechuhtli-Aztec

"Before This World We Live In Existed, There Were Four Other Worlds. Each Had Sun And Each Were Destroyed. The Aztec (Fifth Sun) World Was Created When Quetzalcoatl (Feathered Serpent) And Tezcatlipoca (Smoking Mirror) Came Down From The Heavens With The Earth Goddess, Tlaltecuhtli. Tlaltechuhtli Had The Form Of A Monster. There Were Snapping Mouths On Her Limbs And She Had The Body Of A Giant Toad And The Teeth And Claws Of A Jaguar. Quetzalcoatl And Tezcatlipoca Watched Her Floating On Unformed Waters. They Turned Themselves Into Serpents Coiled Around The Goddess, And Tore Her In Two. One Half They Took Back To Heaven, And From It Made Many Gods. Those Gods Saw The Other Half Of Her Mutilated Body And Heard

Nu-Kua's Rope- Chinese

Nu-Kua, The Wife Of Ru-His, Thought There Should Be People On Earth. So She Took Some Yellow Earth And Carefully Shaped Human Figures Out Of Mud. Then She Breathed Life Into These Forms. 'Oh', Thought Nu-Kua, 'This Is A Long And Boring Task I Have Set Out For Myself. I Have To Find A Way To Speed It Up.' So She Found A Rope, Dipped It Into The Mud, Then Shook The Rope And Tailed It Behind Her. Mud Dripped Off Onto The Ground In Lumps. Nu-Kua Breathed Life Into All Of Them. The People Whom She Molded So Carefully Became The Masses Of The Poor."

As You Read All Of These Stories You Can See For Yourself, That These Stories, Or Myths, Or Concepts Of Creation All Come Down To The Same Thing, Which Is That One Supreme Being Called Allah, Or God, Or Jehovah, Or Brahma, Or Yahweh, Or Whatever Name You Call Him, Decided To Create The Earth And All The Living Beings Within It.

About The Beginning

Ques: What Do Religious Scholars Say About The Beginning?

Ans: When Religious Scholars, Be They Hebraic, Christian, Or Islamic, Agree That The Beginning Started With The Creation Of Adam, Which Is No More Than 6000 Years Old, It Means That The Gold **Genesis 2:11** Had To Be In The Process Of Forming Before **Adam** And **Eve** Were Born. Thus, The Planet Predates Adam And Eve By Millions Of Years. Also, Make Note Of The Statement That The God Of The Bible Makes Literally In **Genesis 1:12**, "*And The Gold Of That Land Is Good*" He Differentiates Good Gold From Bad Gold, Which Means He Was Able To Examine Gold To Make The Decision, Rendering Him A Scientist, A Mineralogist.

Ques: When Was The Beginning Of Humans On Earth?

Ans. The Word **Human** Is The Trick; You Meant **Homo-Sapien**. Human Is From Middle English *Humain* From Old French From Latin *Humaness*, Meaning "*Earth*" Or **Homo-Human Being**, Man. The Theologians Used The Word **Adama** In **Genesis 1:26** Where It States:

Bible – Old Testament, Genesis 1:26 (With Hebrew Insert)

'And God אֱלֹהִים <'elohiym> said אָמַר <'amar>, Let us make עָשָׂה <'asah> man אָדָם <'adam> in our image צֶלֶם <tselem>, after our likeness דְּמוּת <demuwth>; and let them have dominion רָדָה <radah> over the fish דָּגָה <dagah> of the sea יָם <yam>,

King James Version

The Word (**Aw-Dawm**) Finds Its Root In The Akkadian Language As **Ah-Dam** Meaning "*Life Blood*", And For The Ashuric Meaning "*Dark Red Brownish*". So As You Can See, A Creation Concept Of A Man Named **Adam** Is In Actuality Talking About The Whole Earth According To The Hebrew And The Dust Of It. By The Time The Word Adam Got To The Sumerians, The Meaning Of The Word Became "*Blood Clot*" Congealed. Paleontologist To Date Have Concluded That The First **Homo-Sapiens** Appeared On The Scene In And Around The Nile And Called It **Neolithic Pre Dynastic Humans**. The Dates Are Confirmed Down To Year Exactly. But, They Far Succeed The Theologians Be They Judaic, Christian, Or Muhammadan Story Of The Creation. None Of Which Go Beyond **10,000** Years.

Skull May Alter Experts' View Of Human Descent's Branches

By JOHN NOBLE WILFORD

Paleontologists in Africa have found a 2.5 million-year-old skull from what they say is an entirely new branch of the early human family tree, a discovery that threatens to overturn the prevailing view that a single line of descent stretched through the early stages of human ancestry.

The discovery and other predictions of human evolution say they are not necessarily supported by the findings, but certainly confused.

Now it seems that the fossil species *Australopithecus anamensis*, which lived from about four million to three million years ago and is best known from the celebrated Lucy skeleton, was not alone on the African plain. Lucy may not even be a direct human ancestor after all.

Indeed, the family tree, once drawn with a trunk straight and true to beginning to look more like a bush, with a tangle of branches of uncertain relationship leading in many directions.

The skull discovery was made in 1988 by a research team led by Dr. Meave G. Leakey excavating on the western side of Lake Turkana in northern Kenya.

Only after careful analysis did the scientists conclude that the nearly complete skull and part of a jaw represented a new species. The fossil, they said, was very different from the ones they had been studying. It was not a member of the modern family of hominids, but a new one.

In a report to be published in the

journal *Nature*, Dr. Leakey formally named the new member of the hominid family *Kenyathropus platyops*, or flat-faced man of Kenya.

The dates for the fossils, ranging from 3.2 to 3.5 million years old, were derived from volcanic ash buried in the site. The sex of the individual has not been determined.

"*Kenyathropus* shows persuasively that at least two lineages existed as far back as 3.5 million years," Dr. Leakey said in a statement issued by the National Museums of Kenya in Nairobi, where she is the principal paleoanthropologist. "The early stages of human evolution are more complex than we previously thought."

In a telephone interview, Dr. Leakey said the diversity in fossil hominids should not be surprising, because the ancestry of hominids is usually marked by many different branches. When the early hominids split off from ancestors of the apes and started walking on two legs, they would have been capable of moving into new habitats and developing into new species.

Dr. Ian Tattersall, an evolutionary biologist at the American Museum of Natural History in New York, said the discovery was "very important because it finally recognized the diversity among fossil hominids."

Until recently, scientists have recognized only three groups of hominids. The genus *Homo* evolved more than two million years ago and led to modern humans. *Paranthropus* was a robust contemporary of *Homo* that became extinct about one million years ago.

Both groups were presumed to have descended from an early species of the other hominid genus, *Australopithecus*.

Ever since its discovery in 1974

Questions To Dr. Malachi Z. York-El About The Beginning

Ques: According To Christians, When Did Creation Begin Or When Did All Things Come Into Being?

Ans: According To Christians, Who Use The Gregorian Calendar, The Earth Is No More Than **5,000** Years Old. We Know That This Is Not True Because **Archeologists** And **Scientists** Both Have Found Remains Of Human Bones And Other Things Older Than **5,000** Years Old.

The Above Articles Were Taken From Several Sources Proving That The Earth Is Older Than What **Christianity, Judaism** And **Islam** Believes It Is; Which Means That Creation Or Their Concept Of Beginning Has No Facts In It. The Christian's, Jew's And Mohammadan's Concept Of Beginning Starts In The **Book Of Genesis**.

Ques: What Does The Word Genesis Actually Mean?

Ans: **Genesis** As A Word In Greek, Implies "*The Very Beginning*" Or Commence The Word **Genesis** As A Greek Word In Itself Means "*Origin*" - Or Genealogy. In The Greek Language, **Genesis** Is **Gennesis** (Ghen'nay-Sis), From **Genos, Ghen-Os**, Meaning A Particular Kind Or Kindred; And Also **Gennao, "To Pro Create"** Of A Father, But By Extension Of A Mother, To Be Delivered Of, Or To Regenerate, Conceive Or Be Born. However, In The Aramic Hebrew Language The Word **Genesis** Is **Barashiyth**, Which Comes From The Root Word **Bara**, Meaning To "*Reconstruct, Or Reconstruction*". **Barashiyth** Is A Replenishing And Repopulating Of A Selected Part Of The Planet Earth By A Selected And Bred

Stock Or Tribe Of People. Now If You Look At The Word **Genesis** Closely, You Get **Gen-esis**. You Also See The Egiptian Mother Of God **Horus**, God The Mother And Son, **Gene** (Genealogy) And **Isis**, Meaning The **Genealogy Of Isis**.

The Word **Genesis** Or The **Genes Of Isis** Is The Book Of The **Genealogy Of Isis**, Whose Original Name Was **Aset**, Also Called **Hes**. The English Word **Genesis** Is From The Greek Word **Ghen-Nay-Sis** Meaning, "*The Very Beginning*", So *Genesis In Itself Means "Origin Or Genealogy."*

Genesis Comes From The Root Word **Ghen-Os** Meaning "*Kind Or Kindred*" And **Ghen-Nah-O** Meaning "*To Pro Create Of A Father, But By Extension Of A Mother, To Be Delivered Of, Or To Regenerate, Conceive Or Be Born;*" And The Word **Genealogia** And **Genealogeo** Means "*Tracing By Generations*". Making Genesis A Book Of **Generations**. So Now, Let's Go Back And Re-Read **Genesis 2:4** And I Quote:

Bible – Old Testament, Genesis 2:4 (With Hebrew Insert)

"These אֵלֶּה <'el-leh> are the generations תּוֹלְדוֹת <towledah> of the heavens שָׁמַיִם <shamavim> and of the earth אֶרֶץ <'erets>..."

You Will See That Its Root Is Birth, To Beget Or To Have A Child. Children Born On Earth And Children Born In Heaven. That's What It Says. Whether You Like It Or Not If You Look At The Hebrew Word **Towledah** (תּוֹלְדוֹת), You Will See That It Is Speaking Of The Re-Plenishment, Not Creation, Of The Generations Or Births Of The Heavens And The Earth The Hebrew Word For **These** Is **El-Leh** (אֵלֶּה), Which Is The Same Word Used For **Eloh** (אֱלֹה), The Singular Form Of **Eloheem** (אֱלֹהִים). The **Eloheem** Are A Group Of Elohs Who Are Angelic

Ques: How Did The God Of The Bible Form The So-Called Creation Or Beginning According To Religion?

Ans: First You Must Know That There Were Several **Creations Or Beginnings** You Have The Beginning Or **Creation Of The Earth Being Replenished By Water** (**Genesis 6:17**), The **Creation Of Canaan** (**Genesis 9:18**), The **Creation Of Yaqub**, The **Creation Of Adam And Eve** (**Genesis 3:20**). And Now We Are Going Through Another Process Of Beginning By The Creation Of The New Species And Cloning In Which We Are At Today. **Adam** And **Eve** Are Just Two People In A Long Line Of Descendants Who Have Stood Out Because Of Their Creation Story, The Propagation Of Their Religion And Translation Of Their Bible Into So Many Languages. Now Muhammadans Are Doing The Same With Their Koran, And It Also Is Spreading All Over The World.

The Problem Comes In Because People Tend To Confuse These Two: **Adam** And **Canaan**, Both Being "**Adams**" Because They Are Only Familiar With What The Scholars Say About The Origin Of The Original Birthdate Of Adam Being **4,000** Or **4,004 B.C.E.** And Not The Time Span Of **49,000** Years Ago.

Ques: How Do You Know This Is True?

Ques: Does The Omnipotent, Omniscience, And Omnipresence God Need Resting? Yes Or No?

Ans: That Is Part Of The Spell Binding Religion Created By The Luciferians, Because That Is What They Want You To Believe.

Ques: So When Was The Beginning Of The Creation Of Earth?

Ans: The Earth Broke Away **66 Billion** Years Ago From Our Sun, Which Is **93 Million** Miles Away And 93 Billion Years Old. The Earth Has Had Many Beginnings And Replenishings, Such As The Ice Age, And Stone Age, Which Was Destroyed By Meteorite Showers. There Are Many Proofs Of This, Such As The Grand Canyon And Meteorite Crates. This Also Explains The 23-Degree Axis Earth Is On.

Ques: What Do Scientists Believe Caused The Creation Of The Planet Earth?

Ans: There Are Several Different Theories About The Creation And Origin Of Life On This Planet. Scientists Say About 15 To 20 Billion Years Ago, The Universe Started To Expand. When The

Questions To Dr. Malachi Z. York-El About The Beginning

Universe Was Contracting, There Was A Big Bang. The Galaxies Were Closer Together. It Had High Density And The Universe Itself Was Compressed. The Conditions Of The Universe At That Particular Time That Existed Could Not Have Been Created Nor Produced. Scientists Also Have Claimed For Many Years That The First Life Forms Came From Simple One Cell Animals Called **Protozoa, Amoeba, Bacteria, And Amino Acids**. Thus, Was The Beginning Of Evolutionary Life. This Theory Ignores The Intelligence Of The Cell Itself.

Along With The Previous Theory, Is The **Charles Darwin Theory**, Also Called **Darwinism**. Darwin (1809-1882 A.D.) Was Best Known For His Theory Of Evolution Through Natural Selection. This Theory Was Based On Four Presumptions. Darwin Claimed That Life Began Spontaneously From Inanimate, Inorganic Matter From Water. A Single Cell Formed, Split, And Multiplied And Evolved Into Forms Of Life. Fossils And Other Remnants Were

Figure 19

Found. Parts Of Darwin's Theory Were Unworkable And Down Right Wrong. Fossil Records Did Not Support His Theory. There

Questions To Dr. Malachi Z. York-El About The Beginning

Were Many Missing Links Causing Scientists To Call The Theory "*Punctuated Equilibrium*".

A Third Theory Is That A Supernatural Being Called "**God**" Created The Earth And Everything In It, In 6 Days And 24 Hours Or 144 Hours, And On The 7th Day He Rested "Slept" If You Say That God Can Create A Whole Universe, All The Stars, All The Animals, Design The Wings Of Each Butterfly And The Wings Of Each Species In A Mere 7 Days Simply Because God Can Do Anything And Everything, Then 7 Days Is Too Long Of A Period For An All Powerful **God, Allah, Yahweh, Rabb, Or Adonai, Eloheem, Ha-Shem, Thehos, Christ, Khrishna**, Or Whatever You Call Him To Do It A God Or Gods Of This Caliber Could Have Done It In Less Time, Especially When All He Has To Say Is **Be**, And Instantly, **It Is**. So You Mean To Say That In Only Six Days Of 24 Hours Each, Your All Mighty God Got Tired? What Foolishness. That Would Mean **Adam** At This Time Was Only A Few Hours Old Or **86,400** Seconds Old When He Named All The Animals Make Note That The Bible Tells Them, That "*Each Day With The Lord, Yehweh Is 1,000 Years And 1,000 Years One Day*" (**Psalm 9:4; 2 Peter 3:8**), And Time Is Based On How Far You Are From The Sun. This Is A Religious Theory, That After Existing From Before Time, He Just Decided To Start Then And Say Let Us Create, Where A God, By Whichever Name He Or She May Be Called Always Existed, Decided To Create A Being Called Human (**Humim**), "*In His Image And After His/Her Likeness*" (**Genesis 1:27**) This Creation Is What Is Termed As The "**6 Days Of Creation**". Different "**Sacred**" Books Called: The **Bible, Koran, Hadith, Talmud** And The **Mishna, Kabala**,

Questions To Dr. Malachi Z. York-El **About The Beginning**

Urantia, Book Of Mormons And Many Other Books Support This Theory, That After Existing From Before Time, He Just Decided To Start Then And Say Let Us Create. It Is Recorded That Some Kind Of "God" Waved His Hand And Made All Things Possible. This Is Believed By Many To Be The Total Truth By Different Religious Sects, Never To Ask Who Created This Single Creator. That Would Be A Sin. They Don't Care What New Information Is Being Provided Each Day By Scientists, Or Anthropologists. Facts Are Being Found Each Day To Prove Their Religions Wrong.

For Example, **Zecharia Sitchin** Books Entitled *The 12th Planet*", *The Stairway To Heaven*", *"The Wars Of Gods And Men"*, *The Lost Realms When Time Began*, *Genesis Revisited*, *Is Modern Science Catching Up With Ancient Knowledge?*, And Many More, Don't Acknowledge These Facts, Because They Are Under A Religious Spell.

The Most Recent Theory Is That Earth Was Like A Melting Pot In The Universe Causing All Kinds Of Beings To Visit, And Life Was Transplanted Here Intentionally By Extraterrestrials Who Bred Here For Whatever Reasons. In Order For This To Be Possible, Two Basic Molecules Had To Have Been Here On The Planet Earth, **Proteins** And **Nucleic Acid-DNA** And **RNA**. What Is So Interesting Is That Each Of These Conflicting Theories Have Their Own Truth?

Ques: Was There Existence Before Creation?

Questions To Dr. Malachi Z. York-El
About The Beginning

Ans: In The Very Beginning Was The Word **Existence** And **Creation** Came After. Nothing Would Exist If The Sumerian Supreme Being Called **Anu**, In Which He Is Known In Egipt As **Annu** Or **On** Also **Amen- Ra** Didn't Create It. In Order For The Supreme Being To Create, He Must Have Existed. If The Christians Say That **God** Is The Creator Of All Things, Or The Hebrews Say That **Yahweh** Is The Creator Of Everything, Or The Muslims Say That **Allah** Created Everything, Then **Yahweh**, **Allah** Or **God** Must Have Existed. So Yes, There Was Existence Before Creation.

Ques: Are You Saying There Is More Than One Adam?

Questions To Dr. Malachi Z. York-El
About The Beginning

Ans: Yes. That Is What The Plagianzed Scriptures From The Ancient Tablets, That You Believe In, Teaches. In **Genesis 5:2**, It States:

Bible – Old Testament, Genesis 5:2 (With Hebrew Insert)

“Male זָכָר <zakar> and female נִקְבָּהּ <neqebah> created בָּרָא <bara'> he them; and blessed בָּרַךְ <barak> them, and called קָרָא <qara'> their name שֵׁם <shem> Adam אָדָם <'adam>, in the day יוֹמָם <yowm> when they were created בָּרָא <bara'>.”

“Male And Female Created He Them, Blessed Them And Called Their Name Adam, In The Day When They Were Created.”

King James Version

Adam, Whose Real Name Is **Zakar**, As You Can Read Above, Was Told To “*Be Fruitful And Multiply And Replenish The Earth*” As Found In **Genesis 1:28**, Each Time The Planet Was Refilled That Was A New Adam, Such As In The Case With **Adam** Of **Genesis** And **Noah** (**Genesis 8:17**), Whose Real Name Was **Utnafishtim** In The **Gilgamesh Epics Tablets III**. He Was Also An **Adam**. In **Genesis 9:1**, **Noah** Is Told The Same Thing As **Adam** In **Genesis 1:22**. “*To Be Fruitful And Multiply.*” **Adam** Is Merely A Term Meaning “*Man, Or Mankind*” From The Cuneiform **Adamah**, Meaning “*Earthling*”. Also Meaning “*Of The Ground*”. The Hebrew Phoenician Translation Of It Became **Edom** For “*Ruddy Or Reddish Brown*”.

Questions To Dr. Malachi Z. York-El
About The Beginning

Ques: Are You Saying That There Were Beings Before Adam & Eve?

Ans: As It Was Mentioned Many Times Before, Yes, There Were Beings Here Before Your Adam And Eve. According To "*The Holy Tablets*", Adam And Eve Were Described As Having Parents Named **Atum** And **Lillith** Lillith Being From The **Cuthite** Tribe And Atum Being A Hindu From The **Watusi** Tribe. Eve's Parents Were **Ptah** Of The **Dogon** And **Anath** Of The **Havilahites**, Both Of Which Were **Pygmy** Tribes. As A Matter Of Fact, There Were More Than One Adam And Eve. There Were Actually Four Sets Of Adam And Eve.

Questions To Dr. Malachi Z. York-El About The Beginning

For Instance, The Name **Adam** Pronounced **Aw-Dawm** In The **Akkadian** Tongue (A Dialect Of Cuneiform) Is A Title And Also A Tribe (*Genesis 1:27*) Meaning, "*Dark Brown, Of The Earth, Of Life Blood*". A Name Like **Adam** Does Not Necessarily Mean It's Talking About The Same Adam That Is Recorded In Your Scriptures, Because There Was A Different Adam In Cuneiform. It's **Adama** And Means "*Eurthling Upon Each Reconstruction And Replenishing Of The Planet Earth*". The First Tribe Of Beings Were Called **Adamites** Or **Adam**. What I Mean By Each Reconstruction And Replenishing Is That The Planet Earth Was Destroyed More Than Once (*Genesis 5:2*), And Called Their Name **Adam**.

Bible – Old Testament, Genesis 5:2 (With Hebrew Insert)

Ques: Who Were These Four Sets Of Adam And Eve.

Questions To Dr. Malachi Z. York-El
About The Beginning

Ans: The Four Sets Of Adam And Eve Were Originally Referred To As The **8 Ogdoads** Or **Pa Khemenu**, And They Existed When This Was Completely A Water Planet. These Four Sets Represented Genetic Shifts Every Four Generations Giving Birth To Various Types Of Humims That Would Eventually Dwell On The Dry Land That Later Appeared.

The **First Set Of Adam And Eve** Were The Sumerian **Apsu**, Meaning "*One Who Existed From The Beginning*", And **Tiamat**, Meaning "*Maiden Of Life*." They Were Known To The Ancient Egyptians As **Nun** Meaning "*Supreme Being Of The Ocean*", And **Nunet** Meaning "*Female Supreme Being Of The Oceans*". Gods Over The Deep.

Ques: What Do Modern Day Scientists Say About The Very Beginning?

Ans: It Is Clear By The **Gems And Minerals** Of The Earth And Their Age, That Anyone With A Scientific Mind Would Not Accept A **6000** Year Old Age For The Planet Earth. In Fact, At The Very Beginning According To Scientists Of This Day And Time, We Have What Was Called "**The Big Bang**", As Mentioned Earlier, Which Took Place Many Millions Of Years Ago

Ques: Is The Big Bang Theory True Or False?

Space explosion rivals Big Bang

Diagram 13
This Article Was Taken Out Of USA TODAY By Paul Hovesten Entitled:
"Space Explosion Rivals Big Bang"

Questions To Dr. Malachi Z. York-El About The Beginning

Ans: First, Make Note That They, The Scientific Community Refer To The Big Bang As A Theory. When You Look Up The Word "**Theory**" In "*The American Heritage Dictionary*," It Is Defined As Such:

the· o· ry (thē'ō-re, thir'ē) *n.*, *pl.* **the· o· ries**. **1.a.** Systematically organized knowledge applicable in a relatively wide variety of circumstances, especially a system of assumptions, accepted principles, and rules of procedure devised to analyze, predict, or otherwise explain the nature or behavior of a specified set of phenomena.

The Word **Theory** Comes From The Late Latin *Theoria*, From Greek, From *Theoros*, Meaning "**Spectator**": From *Thea*, Viewing + *-Oros*, "**Seeing**". Make Note That, Though They Call It A Theory, They Say "Seeing Is Believing". When In Actual Hearing And Reading Is Believing, And Seeing Is Knowing.

Ques: Where Did They Get The Word Theory From?

Ans: Their Word **Theory** As The Greeks Say **Theoris** Or **Thueris** Becomes **Thehos** For God In Greek, Where They Get Theology Taken From The Egyptian God **Taweret**, The **Egyptian** Goddess Of Women In Childbirth, And This Birth Is Of The Sun (Son). **Taweret** Was Hated By The Greeks Because She Was The Center Of The **Iunet** Or **Tantere**, Called By The Greeks **Dendera** Calendar And She Represented **Mitochondria DNA** In The Center Of The **Denderah (Zodiac)**.

Questions To Dr. Malachi Z. York-El
_____ About The Beginning _____

Ques: So The Big Bang Is Not A Theory?

Ans: Although They Call The Big Bang A Theory, Contact Is A Reality, Like The Sperm Hitting The Ovum. Though, The Human Ear Can't Hear It, It Is A Big Bang To Microscopic Existing Entities. When Positive And Negative Charges Clash, Though You Don't Hear It, It Is A Big Bang To Minute Energy So In Actuality, The Big Bang Is A Reality.

Ques: But Is It "The" Big Bang. Or "Another" Big Bang?

Ans: It Is Just Another "Big Bang", As An Incident That Occurs And Re-Occurs.

Ques: So There Is More Than One Big Bang?

Ans: Yes. As Things Come Into Existence, Or Where Things Become Something. The Sum Of A Thing; A Thing Would Need Another Thing To Bang Into To Have A Big Bang. Their Problem Is, Comprehending Matter And Anti-Matter As The Things That Clash To Bring About, Alternate Things.

Ques: So What They Call It, Is True?

Ans. It Is Untrue By Their Title. There Was No Single One "**Big Bang**", As The Statement Would Imply, That Something Just Went "Bang", Without A Reason Or Cause, Or Under Control, Direction Or Command.

**Questions To Dr. Malachi Z. York-El
About The Beginning**

Ques: So Then, The Original Black Dot Was Not Alone?

Ans: No, For It Existed In A State Of Existence.

Ques: Which "Big Bang" Is The Most Important?

Ans: It Depends On The Beings That Were Affected By It.

Ques: Which One Affected Earth People?

Ans: In Your Beginning, This "Big Bang" Was Twenty Four Billion Years Ago (24,000,000,000), When **Nibiru**, A Craft Under The Control Of The **Neteraat/Anunnagi** Collided Into The Planet **Tamtu** Or **Tanen** Called **Tiamat** And **Qi**, And Caused A "Big Bang".

Ques: Was There One Before That One?

Ans: Indeed! There Were Others. This Incident Was Not At The Very Beginning Of All Things, But In The Beginning Of An On Going Event. As You Know, This Planet Earth Is Just One Of Many In This Solar System, And Even Less Important In The Universe. It Is Egotistical And Naive To Think That No Other Intelligent Life Exists In The Boundless Universes, Except Here On The Seventh Planet, The Third Planet From Your Sun.

Ques: Is It Possible For A Chain Of Events To Occur By Accident?

Questions To Dr. Malachi Z. York-El

About The Beginning

Ans: If It Is A Chain Of Events Then Each Action Has A Previous Cause. So You Can't Have A Chain Of Events To Occur By Accident. It Is Impossible For A Chain Of Events To Have Occurred By Accident The Same Way Each Time, Year In And Year Out For Many Thousands Of Years. In That Case, Accidents Would Still Be The Rule In Our Universe And They Are Not. They Are Also A Part Of The System Of Things.

Ques: Why Are We Taught That?

Ans: Because The Luciferians And Reptilians, The Serpent Children (**Genesis 3:14**) Must Keep You Ignoring True Scientific Data To Enforce Religious Beliefs, And Keep You Worshipping Them (**Revelation 13:15**), And In Their Image, So As Not To Alarm The God Within (**Psalms 82:6**) And (**John 10:34**).

Ques: Do They Know These Facts?

Ans: Indeed! They Do, And Of The Many Bangs And The Biggest Bang The Dragons's Seed Comes In All Races. They Could Be Anybody; Maybe You Reading This Book Are One

Ques: What Sound Did It Make?

Ans: The Bangs Created A Vibration, A Friction That Results In Sound. Each Additional Bang Had A Different Time And Distance And Magnitude That Created A Harmony Of Music Heard By The True Listener Of **Om** Or **Aum** As **Amun** "*The Amen*". It Vibrates

Ques: So Which Is The "Biggest Bang"?

Ans: Seventy Six Trillion (76,000,000,000,000) Years Ago, A Small Dot Or **Nuqta Exploded. And This Was Called The "Big Bang."**

Ques: What Caused Its Explosion?

This Event Still Happens To This Day It Is A Result Of The Expanding, Then Collapsing Of A Universe. In Your Case, This Universe Which Caused The Explosion Of Positive And Negative Forces, Caused The Negative And Positive Forces To Clash Into Each Other, Matter And Anti-Matter.

Questions To Dr. Malachi Z. York-El About The Beginning

Ques: What Happens In This Event?

Ans: H¹-Hydrogen Becomes **He-Helium**, From **E¹ -Ether** To **E² -Ether** Two, Onto **O⁸ -Oxygen-Liquid**, And **E⁸ -Ether** Liquid Gas. This Was The Birth Of Your Sun, Which Is **93,000,000**, Miles Away.

Diagram 14
The Transformation Of Hydrogen Into Helium

Questions To Dr. Malachi Z. York-El About The Beginning

Ques: Does All This Just Happen By Chance?

Ans: No, It Is A Master Plan With Countless Experiments. One Such Being Is Referred To By The Egiptians As **Hu**, The Creative Force Of Will, And This Entity Dwells Outside Of This Time Zone. **Hu** Became **Huhi**, And When Reading Backwards Which The Hebrews Did, It Became **Ihuh** Or **YHWH** And The Latino's Changed It To **Jehovah** "LORD".

Ques: Who Or What Is Hu?

Ans: In Egipt, **Huhi**, Which Is **Hu**, Or **Huwa** Was Considered The Personification Of "**Utterance**" or *Tone*, With Which The Creator **Ptah** "**Ta**", Who Was Regarded As Creator Of The Physical World And Deity Of Technology Does Its Work. **Hu** Was The Utterance Or Tone, The Vibration And Pulsation Of Existence And That, Which Comes To Existence Within The Sacred Breath Those Things Made That Manifest Within Creation, True Growth **Hu** Is That Tone From Which The Creator Calls Things Into Being, With **Ilika** And **Sia**. **Ihuh** Is One Of The Creative Forces Of Will That Constantly Accompanies **Re**, "**Ra**" The Sun Deity, The Source Of Life, The Sustainer Of Life, The Provider Of Sustenance In This World, The Eternal So All Sound Has Its Birth In These 3 Sounds **TA-TU-TI**, Or **HA-HU-HI**. Then The **Nun**, You Get Your Second Sounds **HAN-HUN-HIN**. Now You Have All The Sounds **HA-HU-HI-HAN -HUN-HIN**.

Ques: So, This Is Creation, As We Know It?

Questions To Dr. Malachi Z. York-El About The Beginning

Ans: Yes, Sound Waves According To What Is Recorded By Your Scientists And Religious Men This Small Side Of The Universe Where Zeles And Bi-Aps Became Atoms, Or Adam. It Began As A Result Of An Explosion To Become An Explosion Called The "**Big Bang**" By Those Who Don't Really Know. The One They Refer To Actually Occurred **13 Billion Years** Ago. However, The Original Big Bang Occurred **76 Trillion Years** Ago. At Least That's What They Record To Enforce The Law Of Ignorance And Keep The Spell In Power, And They Still Record It's Sound.

Since then, the scientists have unearthed distinct bones, parts belonging to at least one individual. Not only is this find older than any else previously known, it is also "a more advanced stage of evolution," paleontologist Martin Pickford told a news conference in Nairobi. "It is at least 6 million years old, which means it is older than the (previous, oldest) remains found at Aramis in Ethiopia, which were 4.5 million years old." But some in the scientific community are skeptical of Pickford's claims and are taking a wait-and-see attitude toward the discovery. "Only time will tell whether the claims being made are reliable and factually correct," says anthropologist Bernard Wood of George Washington University.

The 3.5-million-year-old fossil from Kenya appears to be a completely different and previously unknown species.

It was a small, dark, and somewhat irregularly shaped object, about the size of a walnut, that Dr. Meave Leakey found in 1985 in the same area of Kenya where she had discovered the famous "Lucy" skeleton in 1974.

At the time, Leakey was a paleoanthropologist at the University of California, Berkeley, and was working on a project to study the evolution of the hominid skull. She had been told that the fossil was a "new species" and was very excited to see it.

Ques: What Were They Trying To Hide?

Ans: They Were Trying To Hide The Fact That The Bible Was Plagerized From The Babylonian Tablets. And If That Fact Was Discovered, Then The Question Would Come Up 'Where Did The Babylonian Tablets Come From'? Then It Would Be Clear, By The Deities That The **Babylonian** And **Sumerian** Tablets Uses, Such As **Tammuz** For In The Bible (**Ezekiel 8:14**) And **Anu** Found In The Bible As **On** (**Genesis 41:45**) Which Is The Egyptian Supreme Being "**Re**", That Their Doctrine Came Out Of **Egypt**. And What They Also Have Done Is Fabricated Many Christian Cults And Then Bashed Them And Brought It Into The Public. So When The Truth Finally Came, People Wouldn't Accept It.

Aristocrats. The New Testament And All Characters In It Are All Fictional. The Stories Were Taken From Ancient Tablets And Tied Into A Specific Time And Place In History To Suit Their Beliefs. The Romans Made The Whole Story As A Big Play

All Ancient Intelligent Societies Had A System Based On Facts. Often Times Over A Period Of Time, As Positions Of Power Changed And Individuals With Vivid Imaginations Began To Rule, They Would Add And Subtract From The Facts To Create Fictions, Fables, And Myths, Which Sometimes Included Themselves. All Were Rooted In Some Facts, And The Fact That All Calculations, Numbers, Time, And Space Began At Some Point. All Agree That There Is A Point Of Origin, And That As Things Expanded Or Spiraled Away From It, It Began To Lose Its Pure Essence. That Is Every New Time The Story Is Told, It Gets Further Away From The Truth. Read The Book "*101 Myths Of The Bible*" By Gary Greenberg.

I Have Written About This Subject In Many Of My Books, Such As: The Holy Tablets, Science Of Creation, Extraterrestrial And Creation And Many Others.

Ques: Exactly What Took Place At The Very Beginning?

Ans: At The Very Beginning, That Is Before Genetic Breeding, Which Took Place In The Beginning Period Of Human Time, There Was A Black Print Of Creation And Then After, A Cloning, And Then Another Re-Construction Period.

Questions To Dr. Malachi Z. York-El About The Beginning

Ques: What Is The Difference Between Regular Time And Human Time?

Ans: That's A Good Question, Because Most Religious People Overlook The Fact That Their Bible Gives The Impression That Adam Was Created With The Planet, (**Genesis 1:31**). And That This Creator Saw Everything That He Had Made Was Good, And Then Discusses The Creation Of The Heavens And The Earth, And The Creatures, The Stars, The Sun, And Even The Creation Of Man In His Own Image. And Then In **Genesis 2:1**, It Clearly States:

Bible – Old Testament, Genesis 2:1 (With Hebrew Insert)

Ques: What Is The Precambrian Age?

Ans: First, Let's Take A Look At The Word "**Precambrian**". Precambrian Is Defined As **Pre** Meaning "*Middle English, From Old French, From Latin Prae , From Prae, Before, In Front*" And **Cambrian** Meaning "*Of, Relating To, Or Belonging To The geologic Time, System Of Rocks, And Sedimentary Deposits Of the First Period Of The Paleozoic Era, Characterized By Warm Seas And Desert Land Areas.*"

About The Beginning

The Word Beginning Is Also Found In **Proverbs 8:23** "*I Was Set Up From Everlasting, From The Beginning (Roshe), Or Ever The Earth Was*". And The **Hebrew** Word Used For **Beginning** Is **Roshe** (רֹשׁ) "*The Head, Beginning, First*". This Quote Is Making Reference To The Main Author Of The Book Of Proverbs named **Solomon, Son Of David**, Being Set Up From The Beginning, Or Being There In The Beginning Of Creation As Well (Proverbs 8:23-35). The Word **Roshe** (רֹשׁ) Can Also Be Found In **Genesis 8:5, 11:4, 28:12**.

About The Beginning

*I WAS SET UP FROM EVERLASTING, FROM THE BEGINNING,
OR EVER THE EARTH WAS.*

**Ques: Are You Saying That Solomon Was In The Beginning
As Well?**

Ans: According To The **Old Testament** (**Proverbs 8:24**) **Solomon** Was Set Up From The Beginning With The Lord (Jehovah), And Make Note The Lord (Jehovah) Was Not At The Beginning, **Eloheem** (**Genesis 1:1**) Was, So This Must Be Talking About Two Separate Creations With Separate Groups Of Gods Or An Individual God. And In The **New Testament** (**John 1:1**) **Jesus** Was In The Beginning As The Word (**Logos**) With God (**Thehos**), Which I Will Speak Of Later.

Bible - New Testament, John 1:1 (With Greek Insert)

"In εν <en> the beginning αρχη <arche> was ην <en> the Word λογος <logos>, and και <kai> the Word λογος <logos> was ην <en> with προς <pros> God θεος <theos>, and και <kai> the Word λογος <logos> was ην <en> God θεος <theos>."

"In The Beginning Was The Word, And The Word Was With God, And The Word Was God."

King James Version

So Was Adam, Who Was The Son Of God (Luke 3:38).

Bible - New Testament, Luke 3:38 (With Greek Insert)

“Which Was The Son Of Enos, Which Was The Son Of Seth, Which Was The Son Of Adam, Which Was The Son Of God.”

Let Solomon Is Spoken Of In Proverbs Chapter 8, Verse 26-30 As:

Bible – Old Testament, Proverbs 8:26-30 (With Hebrew Insert)

"While As Yet He Had Not Made The Earth, Nor The Fields, Nor The Highest Part Of The Dust Of The World. When He Prepared The Heavens, I Was There: When He Set A Compass Upon The Face Of The Depth: When He Established The Clouds Above: When He Strengthened The Fountains Of The Deep: When He Gave To The Sea His Decree, That The Waters Should Not Pass His Commandment: When He Appointed The Foundations Of The Earth: Then I Was By Him, As One Brought Up With Him: And I Was Daily His Delight, Rejoicing Always Before Him;"

King James Version

From These Quotes Above Found In The **Old Testament**, **Solomon** Was There With The **Lord** (Jehovah) Not The **Eloheem** As **Proverbs 8:23** States. He Was Even Raised With The **Lord** (Jehovah) There Before The Foundations Of Heavens And Earth Were Established. That's What It Says In Your Bible. *Don't Believe Me, Check It Out For Yourself.* Do The Research.

Questions To Dr. Malachi Z. York-El
About The Beginning

Ques: Was Jesus, Solomon And Adam There In The Beginning With God In Physical Form Or Spirit?

Ans: Jesus (7-127 A.D.), Solomon (1024-967 B.C.E.) And Adam (1026-3096 B.C.E.) Were There In The Beginning In Spirit, Not In Physical Form, For *God Did Not Form Man Yet Of The Dust Of the Ground, And Breath Into His Nostrils The Breath, To Make him Become A Living Soul (Genesis 2:7).* They Existed In The Beginning In Spirit From Amongst The Gods Who Are The Angelic Beings Or Messengers Sent To Do The Works Of El.

Questions To Dr. Malachi Z. York-El
About The Beginning

Ques: When It Mentions God In The Beginning Of Creation, Is It Speaking Of One God Or A Plural?

Ans: When It Mentions The Word **God** In The English Translation In **Genesis 1:1**, Instead Of The Hebrew **Eloheem** Which Is There, It Is Not Clear. You Are Left With The Impression That This Is Speaking In A Singular Tense. Yet, If You Look In The **Hebrew** Translation, You Will See That It Is Speaking In A Plural Tense, **Eloheem** (אלהים) Not **Eloh** (אלה). To Just Say God Did This Or That Can Be More Than One. Just As Man Created Can Be More Than One Man, So That Is Also A Trick. However, If You Research The **Hebrew** Translation Which Was The Language It Was Revealed In, You Will See The Plural Form **Eloheem** (אלהים) Being Used In **Genesis 1:1** Meaning "*These Beings, Rulers, Judges*".

Koran 21:16 Uses The Plural Tense "**We Create**" - **Khalaq-Naa** (خلقنا) "*Not* ما (Maa) *For [Idle] Sport* العبين (Al-La'-Bain) *Did We Create* خلقنا (Kha-La-q-Naa) *The Heavens* السماء (As-Samaa-l) *And* و (Wa) *Earth* والارض (Al-Ard) *And* و (Wa) *All That Is* ما (Maa) *Between* بينهما (Bay-Na-Hu-Maa)" Meaning The **Malaa-Ikat** (ملائكة) "*Angelic Beings*" Were Responsible For The Creation Of The Heavens And Earth, And The Firmaments (**Koran 51:47**). If This **Allah** Is Only One God Alone Without Partners (**Koran 12:38**), He Could Never Be A "**We**" Nahnu (نحن) Or "**Us**" Naa (نا).

Questions To Dr. Malachi Z. York-El **____About The Beginning_____**

Ques: Are You Saying Genesis 1:1 Is Speaking Of A Group Of Gods And Not Just One?

Ans: Yes, And So Is The Koran. Now **Genesis Chapter 1, Verse 1** 1. Speaking Of A Group Of **Gods** (אלהים) And Not One God, Which Would Be **Eloh** (אלה). When You Look At The Actual Hebrew Word **Eloheem** (אלהים), You Will See It Ends With The Letters **Yod** (י) And **Meem** (מ). This In Hebrew Denotes Pluralization. When Translating The Scriptures Into The English Language From The **Hebrew, Aramic Or Greek** Languages, The True Meaning Of The Word “**God, god Or GOD**” Becomes Lost (*Refer To Scroll #66, “GOD”, “God”, “god”, What Is The Difference? By Noble: Rev. Dr. Malachi Z. York-El 33⁰/720⁰*).

In The Hebrew Language, There Is No Big Or Small **Yod** (י) As In **Iehovah** (יהוה), And There Is No Big Or Small **Theta** (θ) As In **Thehos** (θεος). These Vowels Were Introduced Throughout The Bible And The Koran, As Time Went On.

Ques: Were There Vowels In The Original Scriptures?

Ans: Originally There Were No Vowels (*Refer To El's Holy Torah, By Noble: Rev. Dr. Malachi Z. York-El 33⁰/720⁰*). When You Ask A **Christian, Moslem, Or Jew**, They Will Say They Are **Monotheist**. They Say That Means They *Only Believe In One God*. The Greek Word **Monos** Is “*Single, Alone*”. Then What They Have Done, Is They Have Grafted In The **Polytheism** Or

Questions To Dr. Malachi Z. York-El

What They Call **Henotheism** From The Greek Word, *Agē* Meaning "*One God With Many*", Or **Polytheism** "*Many Gods*". And If You Say There Is Only One God Who Resides In Heaven Then Who Are The "We" And The "Us" Spoken Of In **Genesis 1:26** And I Quote:

Bible – Old Testament, Genesis 1:26 (With Hebrew Insert)

"AND GOD אֱלֹהִים <'elohiym> SAID אָמַר <'amar>, LET US MAKE עָשֵׂה <'asah> MAN אָדָם <'adam> IN OUR IMAGE אִמְלֵךְ <'tselem>, AFTER OUR LIKENESS תְּמוּנָתֵנוּ <'demuwth>: AND LET THEM HAVE DOMINION רָדָה <'radah> OVER THE FISH דָּגַי <'dagah> OF THE SEA יָם <'yam>, AND OVER THE FOWL עוֹפֵי <'owph> OF THE AIR שָׁמַיִם <'shamayim>, AND OVER THE CATTLE בְּהֵמָה <'behemah>, AND OVER ALL THE EARTH אֶרֶץ <'erets>, AND OVER EVERY CREEPING THING רֶמֶשׂ <'remes> THAT CREEPETH רָמַשׁ <'ramas> UPON THE EARTH אֶרֶץ <'erets>."

"And God Said, Let Us Make Man In Our Image, After Our Likeness: And Let Them Have Dominion Over The Fish Of The Sea, And Over The Fowl Of The Air, And Over The Cattle, And Over All The Earth, And Over Every Creeping Thing That Creepeth Upon The Earth."

Can You Have An Artist Named **Michelangelo** Who Drew A Monotheistic Depiction Of God In The **Sistine Chapel In Italy** In The **16th Century**. Ques: What Does The Word God Mean?

Ans: The Word **God** Comes From The Old English Word *God, Giddy, Gydig, Gidig*, Meaning "*Possessed, Insane*". From The Germanic Word *Gud-Igaz* Meaning "*Possessed By A God*".

Questions To Dr. Malachi Z. York-El About The Beginning

Goddamming From Old High Germanic *Gudam* "God" Or Simply **Goddam**.

Ques: What Is It Composed Of?

Ans: The Word **God**, Is Composed Of Three Symbolic Hebrew Words, **Gomer** "Beauty", **Oz** "Strength", And **Dabar** "Wisdom". And The Hebrew Word **Dabar** (דבר) Is Not "Wisdom", It's "Speech" Or "The Word". **Wisdom** Is **Khok-Maw** (חכמה), Not **Gomer** "Beauty". It Means, "To Cease To Be, To Come To An End", As In The Last Word Of Creation. **Beauty** Is **Yaw-Fah** (פה), And The Word **Oz** (ז) Is Not "Strength" The Word For **Strength** Is **Kho-Zek** (זק), So You Really Get "G" Is To Be About The End Of All Things. "O" With The **Strength** And "D" Word Or **Order**. In The Hebrew Language, The Words Are Written From Right To Left, So It Would Read "The **Word** Is **Strength** And **Beauty**", Still Just Making Reference To 'The Word'. This Word **God** Is Used Numerous Times Within The Bible In The Singular Tense—**Eloh** (**Ezra 4:24**) Or **El**—(**Genesis 16:13**), In The Dual Tense **Elohiyn** (**Daniels 3:25**), And In The Plural Tense As **Eloheem** (**Genesis 1:1**), And You Can't Have A Plural Without It Being A Composite. By That I Mean, A Plural Is Composed Of 3 Or More Things. A Dual Is 2 Or More Things, And A Singular Is 1. When Using The Word **Eloheem** (אלהים) Or **Malaa-Ikat** (ملائكة), You Must Have A Composition Of 3 Or More Beings.

Questions To Dr. Malachi Z. York-El
About The Beginning

Ques: How Can Eloheem Be The Very Beginning And Be A Plural?

Ans: Simply Because This Is Not The Very Beginning. If It Was The Very Beginning, It Would Read "*At The Beginning*" And Not "*In [The] Beginning*".

Ques: Is There Really A Difference Between, At The Beginning And In The Beginning?

Ans: Yes, There Is A Difference Between "**At**" The Beginning And "**In**" The Beginning, Because "**At**" The Beginning Means "You Were Present At The Very Beginning". And "**In**" The Beginning Means "You Were At A Period Of Time Somewhere Within The Beginning". Because "**In**" In Hebrew Is **Bah** (ב) Sometimes Used As A Prefix And Means "*In, Within, Among*". This Incident Happened Within A Creation Story And Not The First Or Actual Creation.

Ques: How Can You Prove This Is Not The First Creation?

Ans: If You Turn To *Genesis Chapter 1, Verse 2*, You Read The Following:

Bible – Old Testament, Genesis 1:2 (With Hebrew Insert)

"And the earth פְּרָצָה <'erets> was הָיְתָה <hayah> without form תֹּהוּ <tohuw>, and void בֹּהוּ <bohuw>; and darkness חֹשֶׁךְ <choshek>."

Questions To Dr. Malachi Z. York-El About The Beginning

was upon the face פָּנִים <paniym> of the deep תְּהוֹמִים <tehowm>. And the Spirit רוּחַ <ruwach> of God אֱלֹהִים <'elohiym> moved רָפָף <rachaph> upon עַל <'al> the face פָּנִים <paniym> of the waters מַיִם <mayim>.”

“And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.”

King James Version

When It Says That, “*And The Earth Was Without Form, And Void; And Darkness Was Upon The Face Of The Deep,*” This Is Saying That The Whole Earth, Which Consisted Of Mountains And Land Were All Submerged Under Water. And When God (Eloheem) Decided In **Genesis 1:9** To Dry Up The Waters And Bring Forth Land, The Mountains And The Flat Land Were Exposed Again.

Bible – Old Testament, Genesis 1:9 (With Hebrew Insert)

“And God אֱלֹהִים <'elohiym> said אָמַר <'amar>, Let the waters מַיִם <mayim> under the heaven שָׁמַיִם <shamayim> be gathered together קָוָה <qavah> unto אֵל <'el> one אֶחָד <'echad> place מְקוֹם <maqowm>, and let the dry יַבֵּשָׁה <yabbashah> land appear רָאָה <ra'ah>; and it was so.”

Questions To Dr. Malachi Z. York-El
About The Beginning

“And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.”

King James Version

Ques: Where Is This Event Plagiarized From?

Ans: The Egyptian Story Of The Birth Of Re, From The Primordial Waters To Become Atum/Adam/Atom.

So Now **God** (Eloheem) Dried Up The Waters Of The Flood, Which Covered The Whole Planet Earth, And This Is The First Time That Land Appears. Then In **Verse 10**, You Find *“And God Called The Dry Land Earth; And The Gathering Together Of The Waters Called He Seas: And God Saw That It Was Good.”* Now You Have The Separation Of The Waters Of The Sea And The Dry Land, Which Was Called Earth. So, This Is The First Flood Of The Planet Earth, And The Whole Planet Earth Was Submerged Under Water, For **Genesis 1:2** Tells You That *“The Earth Was Without Form, And Void; And Darkness Was Upon The Face Of The Deep”*. So If The Dry Land Appeared According To Verse 9, From Under The Waters, Then God Did Not Have To Form Land, It Already Existed, Showing You That This Was A Re-Plenishing, And Not The Actual Creation Process, Which You Can Find In **Psalms 104:30**.

Psalms 104:30 Clearly Tells You That The Earth Was Being Renewed, And It Says And I Quote:

Questions To Dr. Malachi Z. York-El About The Beginning

Bible – Old Testament, Psalms 104:30 (With Hebrew Insert)

"Thou sendest שִׁלַּח <shalach> forth thy spirit רוּחַ <ruwach>, they are created בָּרָא <bara'>: and thou renewest חָדַשׁ <chadash> the face פָּנִים <paniyim> of the earth אֲדָמָה <'adamah>."

"Thou sendest forth thy spirit, they are created: and thou renewest the face of the earth."

King James Version

The Person Or Rabbinical Council Writing This Story On Creation Long After The Incident Occurred Is Making Reference "To The Beginning". They Were Not At The Beginning Or In The Very Beginning, And It Wasn't God, Because It Is Making Reference To God In The **2nd** And **3rd** Person, "And God Saw That It Was Good (**Genesis 1:10**), And The Spirit Of God Moved Upon The Waters (**Genesis 1:2**), And God Said Let There Be Light" (**Genesis 1:3**). It Should Say, "In The Beginning, I Created The Heaven And The Earth". Therefore, This Is Not Actually The Beginning, For How Could A Beginning Begin With A Plural? Because If It Was In Or At The Very Beginning, It Would Have Had **El** (אֵל) Or **Ilah** (إله) And Not The Plural Form, **Eloheem** (אלהים). The Very Fact That Eloheem Is Used, Which Is Plural In **Genesis 1:1**, Means There Is A Single Form Of **Eloheem** (אלהים), And Because There Is A Single Form Of Eloheem, You Couldn't Begin

Questions To Dr. Malachi Z. York-El About The Beginning

With More Than One God Or Multiple, Without Starting With One God. So, **Genesis** Could Not Be "**The Beginning**" If Everything Begins With One Incident.

Make Note That The First Book Of The Old Testament, **Genesis 1:1** Says "*In The Beginning*", It Begins With The Hebrew Letter "**B**" Or **Bayth** (ב), The First Book Of The New Testament **Matthew 1:1** Begins With The Greek Letter "**B**" **Beta** (β) "*The Book* (βιβλος- **Biblos**) *Of The Generation...*", And The First Opening Letter Of The **Koran 1:1** Begins With The Arabic Letter "**B**" Or **Baa** (ب) "*In The Name* (بسم -**Bismi**) *Of Allah...*". Which Goes Back To **Bara** "*Beginning*" And The Word **Shiyth** (*Sheeth*- שיש) Meaning "*Six*" For **6 Days Of Creation** As I Explained In The Beginning Of This Book.

Ques: What Is Symbolic Of The Number Six?

Ans: The Number **6** Is Called The Perfect Number Because $1+2+3=6$ And $1 \times 2 \times 3=6$ And These Are Two Equations. There Are Two **3**'s In **6** Giving Them Their Three **6**'s, Which Is The Time They, The Luciferians Were Given To Rule, Which Was **6,000** Years. This Ended In The Year **9-9-99 A.D.** Again, This All Stemmed From The **Chaldean** Word For **6**, Which Is **Sheeth** (שש), Used In **Ray-Sheeth** "*Beginning*", And The Word **Ray-Sheeth** Is Prefixed With The Egiptian Supreme Being Named "**RE**", Which The **Greeks** Pronounce "**RA**". "*Beginning*", Coming From **Ray** "**RE**," Which **Greeks** Pronounce "**RA**", And **Sheeth** Or **Shiyth** (*Sheeth*), The **Chaldean** Word For **SIX** From
